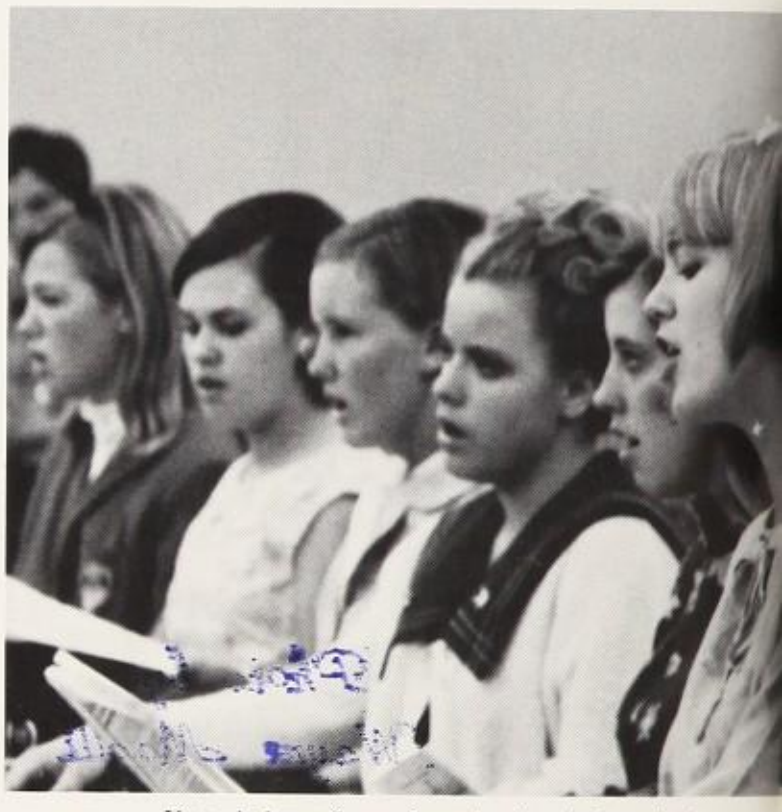
Knowledge is more than learning



Knowledge of music, whether it be singing or on musical instruments, has its place at WHS. Above, members of the Concert Choir practice

their music for the Christmas Program presented annually for the students and P.T.A.

As the early morning bell summons Westminster High School students to class, they find that the time is now to learn. Opportunity knocks every day on the doors of young Lions in the forms of a curriculum and a teaching staff unsurpassed by any other high school. Whether it be auto mechanics or family life education, psychology or physiology, journalism or business law, there is something here from which every student can fulfill his learning desires.

Factual knowledge is not the only thing gained from these academic studies. The ability to apply what a person has learned and to express oneself are two of the more valued aspects of being a WHS scholar. Students acquiring knowledge in the classroom can soon adapt it to their own personal needs. With 3300 young people seeking the backgroun sonal needs. With 3300 young people seeking the background for their futures, it is no wonder that the curriculum offered is of such a wide variety.

Even after the final bell has rung, the learning process continues in the form of extra-curricular activities. The branching off from the classroom can be seen in every department on campus. To students in the performing arts department, the Globe West Theatre soon becomes known as a home-away-from-home as they diligently prepare for the Fall and Spring Plays. An opportunity like this allows the student to go beyond his classroom studies and to broaden his experiences which is necessary in order to keep up with the times.

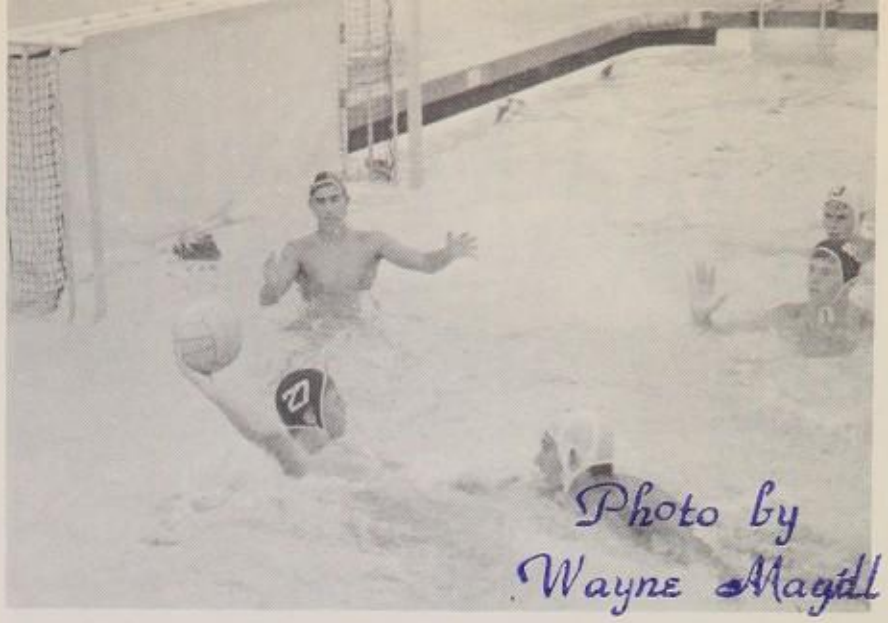
WHS Lions are true champions

Champions are devoted to their sport. Champions take pride in their school. Champions offer words of encouragement to their teammates in times of despair. Champions are determined and fearless. Champions excel over all others. Champions are Lions.

"We're #1!" became known as the call of the wild Lions during the 1968-1969 athletic year. Westminster set out to expose something that had been building up inside during its short ten-year history: Lions are not only king of the jungle, but also king of the Sunset League.

On every level, varsity, jay vee, bee, cee, and freshmen, the Lion's roar was heard as they faced highly competitive teams throughout the C.I.F. Southern Section. The time is now to record the 1968-1969 season as having featured Lion Champions.



ABOVE: Varsity water poloists participate in intersquad scrimmage as they prove themselves to be true Lion athletes and champions.

BELOW: Lion center Greg McCants (59) keeps his hands on the ball as the 1968 Sunset League Champions handed Anaheim a 14-2 loss.

ABOVE: Retaining their Sunset title, the Lion cross country team survived league competition with an unblemished record of 7 wins.

LEFT: Head Coach Bill Boswell offers halfback Mike Haynes expert coaching which paved the way for an outright league championship.

Susanna McClarty crowned Queen of

The 1968 Westminster homecoming was one that represented outstandingly our tenth anniversary of beauties. For the first time in the history of the school the homecoming court rode onto the field by way of a beautiful float. After a special performance by the band and drill team, the crowning ceremony began.

Susanna McClarty, now draped in a long red robe and carrying one dozen red roses was surrounded by her princesses: Janice Munns, Candy Simms, Carolyn Kilpatrick, Kathy Woesner, and Beinta i Jakossptovu, our honorary princess from Denmark.

Amid all the excitement, helium-filled balloons were released from a gigantic anniversary cake on the field and students in the stands cheered their congratulations.

ABOVE: Susanna McClarty, escorted by Jack Bowman, smiles brightly after crowning. LOWER RIGHT: The Homecoming Court: Janice Munns, Brad Young, Carolyn Kilpatrick, Dennis Stein, Susanna McClarty, Steve Scheiblauer, Candy Simms, Mike Haynes, Kathy Woesner, Rick Smith, Beinta i Jakossptovu, and Bob Collacott.

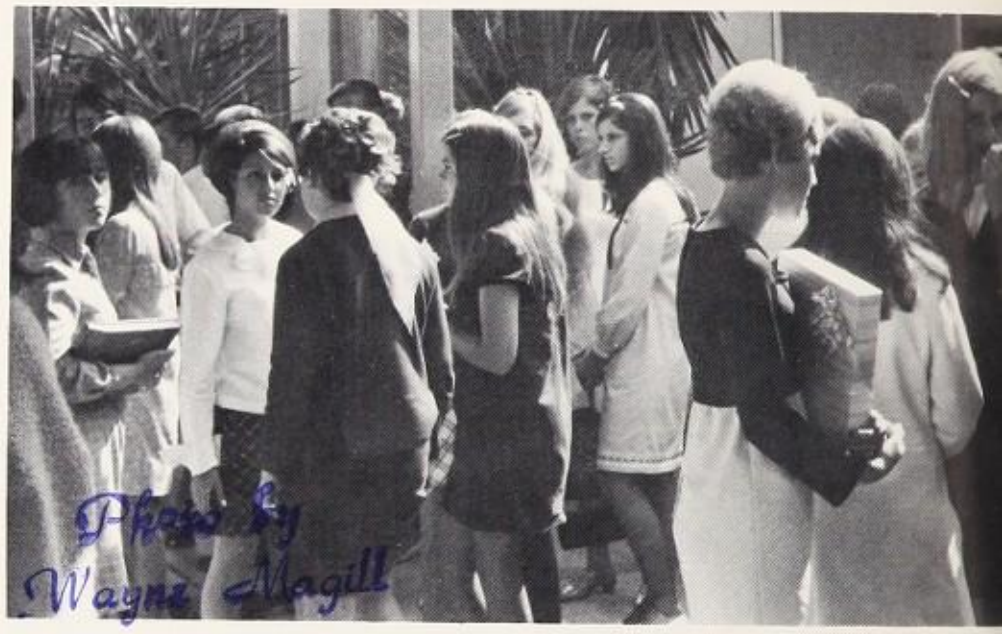
the Lions

After a smashing victory at the homecoming football game, alumni and seniors made their way to the homecoming reception in the cafeteria. Old friends got together and new friends were made, as former WHS students and seniors reminisced.

At the homecoming dance Saturday night Queen Susanna and her princesses once again donned their royal attire. The whole atmosphere of the dance was enchanted by the theme, "Memories Are Made Of This". The Queen officially opened the affair by dancing the first dance of the evening. The entire week was filled with a little something extra for all the alumni which made memories out of it.

Congressman Richard T. Hanna playfully bouted with Lion before he addressed WHS students at the homecoming football game.

WHS students learn quickly the tradition of climbing stairs and waiting in the endless line for lunch.



3,300 live, work, and learn at WHS

Westminster High School experienced another bout with growing pains as nearly 3300 students invaded its premises this year. The cafeteria line grew once again, while hall lockers and gym baskets seemed to shrink in number due to all the people. Going from class to class proved to be as challenging as getting out of the student parking lot within five minutes after the last bell had rung. There was no way to avoid it; the population explosion had really hit WHS. And when the final bell sounds on June 12, the mad dash will end.

Absentees endure a test of time at counselor windows.

Colors are varied and abundant at WHS while featuring traditional red, black, and white.

Spirit of the WHS Lions swept from the campus to the C.I.F.

"We've got the S-P-I-R-I-T!" became the yell which typified exuberant Lion fans. Their spirit came in numerous forms but the young Lions knew that it was time to tell the world about the uniqueness of being a student at WHS. Westminster High School is built on school spirit and pride.

Spirit is what kept WHS athletic teams on the road to victory and to CIF. Lions were the victors in the district ASB card sales because they cared. Endless posters were provided by the pepsters who promoted spirit to a peak. To this the guiding light of capable student leaders is added which proves that, in the words of Mr. Christensen, WHS principal, "It's great to be a Lion!"

ABOVE LEFT: Coach Boswell summons the support of the WHS student body before the clash with Anaheim. ABOVE: The Lion's Den on a Friday night can definitely prove that THEY CERTAINLY DO yell for Westminster. BELOW LEFT: To the victor goes the spoils as ASB President John Kilpatrick and Vice-President Naomi Belton smash Huntington Beach President Brian Hanrahan with a cream pie after WHS prevailed in the district ASB card sales.

NOW

FOR *SENIORS*

Westminster High School's mighty and spirited seniors realize that the time is now for opportunity. The Class of '69, the greatest senior class in the school's history, jumped into all their activities with such enthusiasm as to rock the school with their willingness and readiness. Over all the obstacles, the senior class reigned victorious.

It is with great appreciation that the seniors thank the senior counselors Mr. Blankinship and Miss Rosier and senior advisor Mr. De Wenter for their help in making the seniors number one. WHS seniors have reached out for the opportunities given them. They have shown to all that when the time has come for opportunity, take it, and be the best.

Senior officers gave WHS guidance

SENIOR CLASS OFFICERS: Eddie Haas, Representative-at-Large; Gail Galloway, Vice-President; Mark High, President; Nancy Noling, Secretary; and David Cervantes, Treasurer.

The Seniors started off a great year at the first pep assembly with an amazing event in the center of the football field. A helicopter, carrying the Senior Class President, Mark High, swooped over the high school and touched down on the football field.

A short time later they followed it up with the planning of the traditional luau. Color and originality was brought in with the theme, "The Feast of Kahmeamea." A mixture of old Hawaiian with the fire dancer, and modern teen-age America with a dance band, "The Animations," added a spicy mixture to the evening.

The Seniors grabbed another "bull-by-the-horns" when they turned McDonalds Day into a gigantic free dance. Other schools in the Huntington Beach District were invited, thus fostering closer relationships between students from all over.

Ever striving in all activities, to be great, to achieve, throughout the whole year until the very end of their high school years, the Seniors marched to graduation.

Senior Class was always on guard

Seniors certainly knew the time of "Scholars and Champions". Westminster's motto was proven time and time again. Buildings rattled and shook after the Senior Class roared during competition yells, shouting over and beyond the cheers of the underclassmen who could not have stood a chance.

Displaying leadership in student government and sports, Senior John Kilpatrick set the pace for followers in cross country and track.

Darryl Berg led the mighty Lions through dirt and grime to the height of the football season.

With a grip on victory, senior grapplers held out a helping hand making this past year's wrestling team one of the best Westminster has ever had.

Dances gave all seniors time to socialize

Seniors must say goodbye to the halls of Westminster High School on graduation day, June 12, 1969. They will have only memories and momentos to remind them of WHS. There will be a few sad, but many happy, heart-warming memories. There will be memories of the freshman year, the beginning of high school. Seniors will also remember the football games, their first dance, their many fun-filled activites, and their first Prom. The Class of 1969 can look back on their successful high school years with a feeling of Lion pride. This class will be remembered as a class that took success with it. This Class of 1969, from the Home of Scholars and Champions, helped to make Westminster High School a school built on true Lion pride.

Seniors like Georgina Davis will look back on such fond memories as those of the Christmas Formal, "Mistletoe Melody."

Successful seniors were involved

Seniors attacked their activities with such enthusiasm that cannot be equaled.

Seniors were right on top when it came to the United Fund Drive. The Class of 1969 helped to raise enough money to put itself in the number one position in United FundDrive class competition. Seniors proved they were involved.

Through McDonald's Day, the seniors let the City of Westminster know WHS was around. Seniors from around Orange County were invited to attend. Activities included dancing and eating at McDonalds.

Throughout the year seniors put ingenuity and imagination to work to organize other activities.

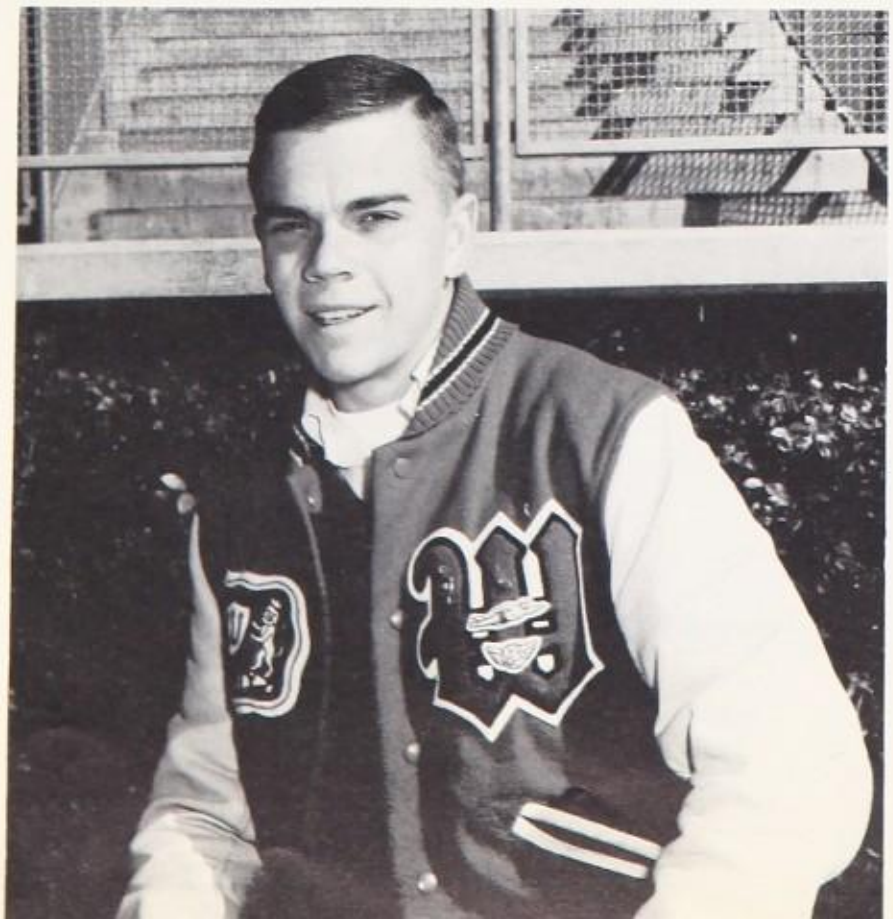
Students honored at California State



Considered one of the most valuable programs to acquaint students with the system of state government is Girl's and Boy's State.

This year, Naomi Belton and Chuck Suter were selected to attend, as the representatives of WHS. Representing Legion Post 342 was Duane Wolting, the first boy to attend from WHS, having not been chosen as the school's representative. At Boy's and Girl's State, the participants run through election procedures on a city level, then county, and state. Both Chuck and Duane were elected City Councilmen while Naomi won the office of Superior Court Judge.

Duane Wolting represented American Legion Post 342.

WHS Lion in Finland

Cynthia Stateman, a summer foreign exchange student through Youth For Understanding, came back to her senior year at WHS with thrilling insights into life in other countries. Living with a genuinely congenial family in Finland for a few weeks during the summer, Cynthia became fast friends with Maija, 17, who shared the same birthday with her; Lisa, 15; and Pekka, her Finnish brother, who was 19. She said that her new parents were absolutely wonderful people.

LEFT: Cynthia's Finnish parents pose for their picutre in their wooded countryside. RIGHT: Cynthia Stateman, foreign exchange student for WHS, points out parts of the world that she visited, and other places she would like to visit.

Cynthia also confessed that during the first meeting with her new family, she was "super nervous", but this wore off as she began to know them better. Highlights in Finland included the Sauna bath, a Finnish drink called Siima, and the fact that sunset didn't come until about 12 o'clock midnight.

During her time overseas, Cynthia took part in an exciting side trip to Leningrad, Russia. Excitedly she related how she and one of her friends from the U.S. got lost on their first day in the great city. They found their way back to the group on an old-fashioned trolley car, thus providing an interesting story for the kids back home.

BELOW: Cynthia and her Finnish sister Maija enjoy a ride in horse and carriage. RIGHT: Lisa, 15, and Maija, 16, pose for Cynthia on an afternoon outing. Cobblestone streets and wooded countryside brought out Finland's natural beauty. Lisa and Maija truly were wonderful sisters to Cynthia during her stay in Finland.

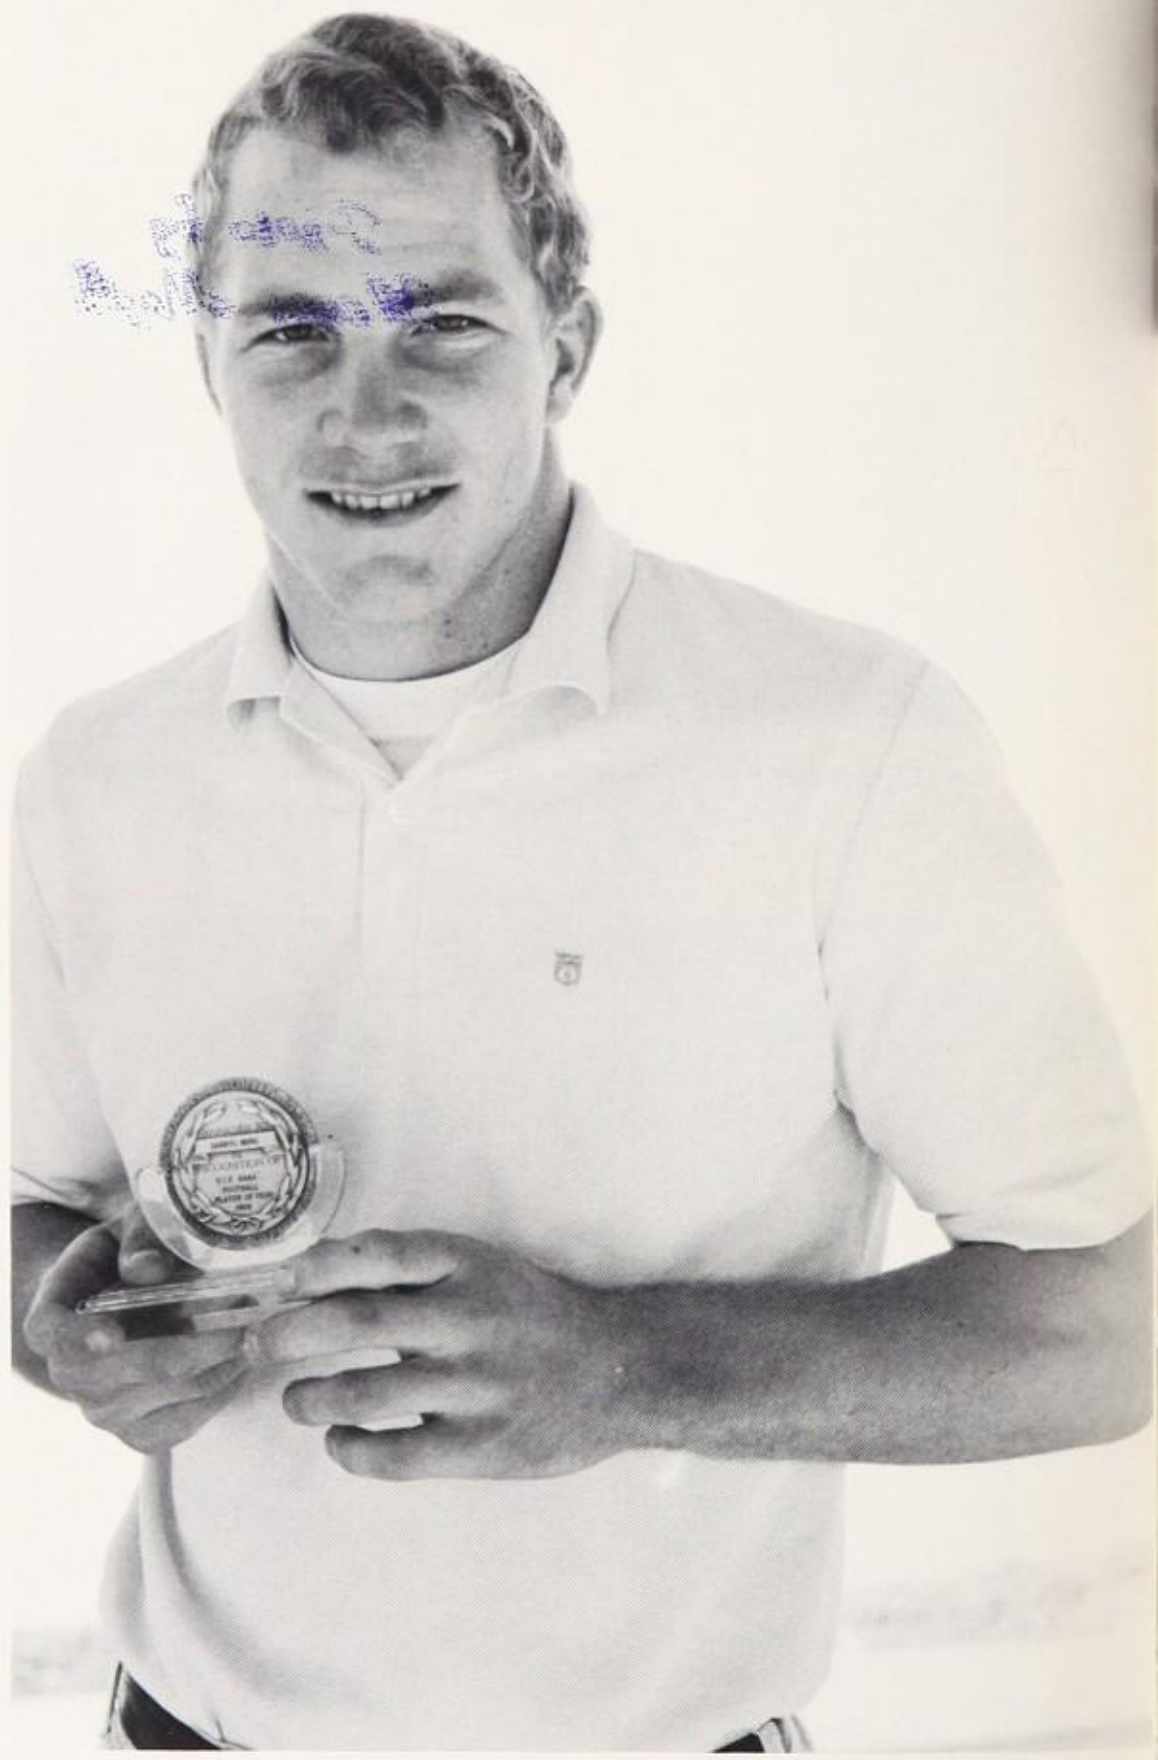
Berg voted CIF Player of the Year

One of the most outstanding football players Westminster has ever had was produced from the Class of 1969. Darryl Berg's fantastic speed and prowess as a back earned him the title of the CIF Football Player of the Year.

Darryl Berg was not alone in the ranks of Westminster's mighty that were on the CIF Football Honor Team. Also noted on the first team, along with Darryl, was John McLaughlin as tackle. Greg McCants was present on the second team in the position of center, while Ron Shepherd was found on the third team as a back.

1969 was a good year for the gridders at Westminster High School. More players from WHS were present on the Honor Team than from any other high school in Orange County. No school in Los Angeles had more players on the team than WHS. The school should be proud of the whole football team as they proved that WHS is the "Home of Scholars and Champions."



CIF Football Player of the Year Darryl Berg, a senior, displays the trophy presented to him by the Helms Athletic Foundation's Board of Athletics.

Receiving interference from Lakewood's Larry O'Brien (20), Darryl Berg (45) attempts a pass completion as Monkey Montgomery (88) comes around end.

CLASSES

A huge success marked the end of this year for the Juniors. The Class of 70 is wished good luck for their coming Senior Year.

Sophomores launched the year with the Peasants' Prom. Planning ended the year on a high note at the Piccadilly Fair.

Frightened Freshmen began this year on a cautious note. After their sponsored Toys for Tots Dance experience was gained.

Hannan, League, Broderick, Meyer, Porter led promising Class of '70

JUNIOR CLASS OFFICERS TOP ROW: Dan Broderick, Representative at Large; Cheryl League, Secretary; and Matt Hannan, President; BOTTOM ROW: John Meyer, Treasurer; and Bob Porter, Vice-President.

MRS. IMAMURA
Class Advisor

WHS Juniors enjoyed a successful year, with the aid of their advisor Mrs. Imamura. On Number One Day the Class of '70 went wild adding to the festive mood by decorating Buckingham Square with number ones. Juniors readily responded in all areas to the school's motto, "Westminster is the Home of Scholars and Champions," by proving they were truly scholars and champions.

Junior Counselors Mr. Semeniuk and Mr. Keagy helped the Juniors through all the trials and tribulations they encountered. During the year, Juniors did their very best. An example of the very best was the Junior-sponsored Prom. This success led to the belief that next year's Seniors are ready to lead Westminster in the fine tradition of scholars and champions.

Lillis guided Sophs to a smooth finish

SOPHOMORE CLASS OFFICERS Art Lillis, President; Marla Nyhan, Treasurer; Denise Sterling, Representative-at-large; and Leslie Swain, Vice-President. Not shown is Diane Colton, Secretary.

MRS. BECKER
Class Advisor

The sophomores began a great year early in November with their very successful Peasants' Prom. Everyone rocked out the theme of "Peoples of the World," making it a great theme for all. In the Pep Parade the super sophomores came out on top again with their sensational spirit and their originality in ideas. Playing the Westminster theme to the hilt, sophomore scholars and sophomore champions outshone all competitors in every subject and sport. Although the Class of '71 saw two presidents in one year, sophomore spirit never dwindled, thanks to a little help from their friends Mrs. Becker and Miss Atwood. For these and other reasons it is certain that the Class of '71 shall prevail over all.

Class of '72 enjoyed successful year

FRESHMAN CLASS OFFICERS: Sheryl Kaich, Secretary; Twinkie Mangum, Vice-President; Bob Membrila, President; Susie Neil, Treasurer; and Julie Hespe, Representative at Large.

MRS. STREECH
Class Advisor

The freshman year was opened with exitement and anxiety. With the first Frosh Assembly officers were introduced and soon elected to lead the class to a successful year. Their response at Pep Assemblies and Pep Rallies reflected their enthusiasm. In the Pep Parade the Frosh demonstrated their agility and mobility and followed up first semester with a large contribution to the United Fund Drive. Later in the year Frosh were involved in preparation for ASB Week which culminated in the Piccadilly Fair. The Freshman Class showed how ingenious they were with their activities and tremendous booth. The Frosh proved that they certainly "Can Do '72."

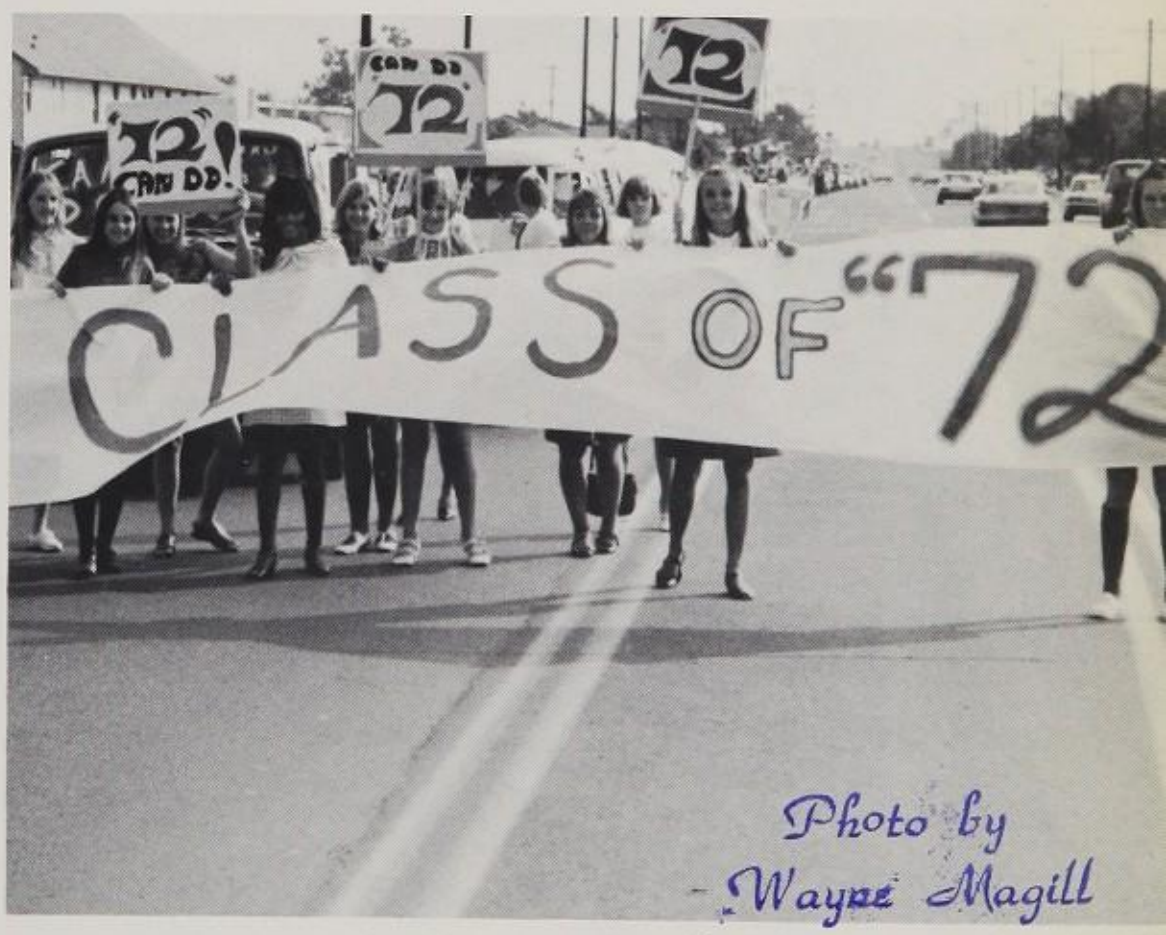
While other schools have protest marches and demonstrations, WHS keeps up the pace with a Pep Parade. "Can Do '72" is the motto for a spirited Freshman Class.



Cheerful faces and a worried look are all part of the day at WHS. The passing period allows for students to get in a bit of conversation or to think.

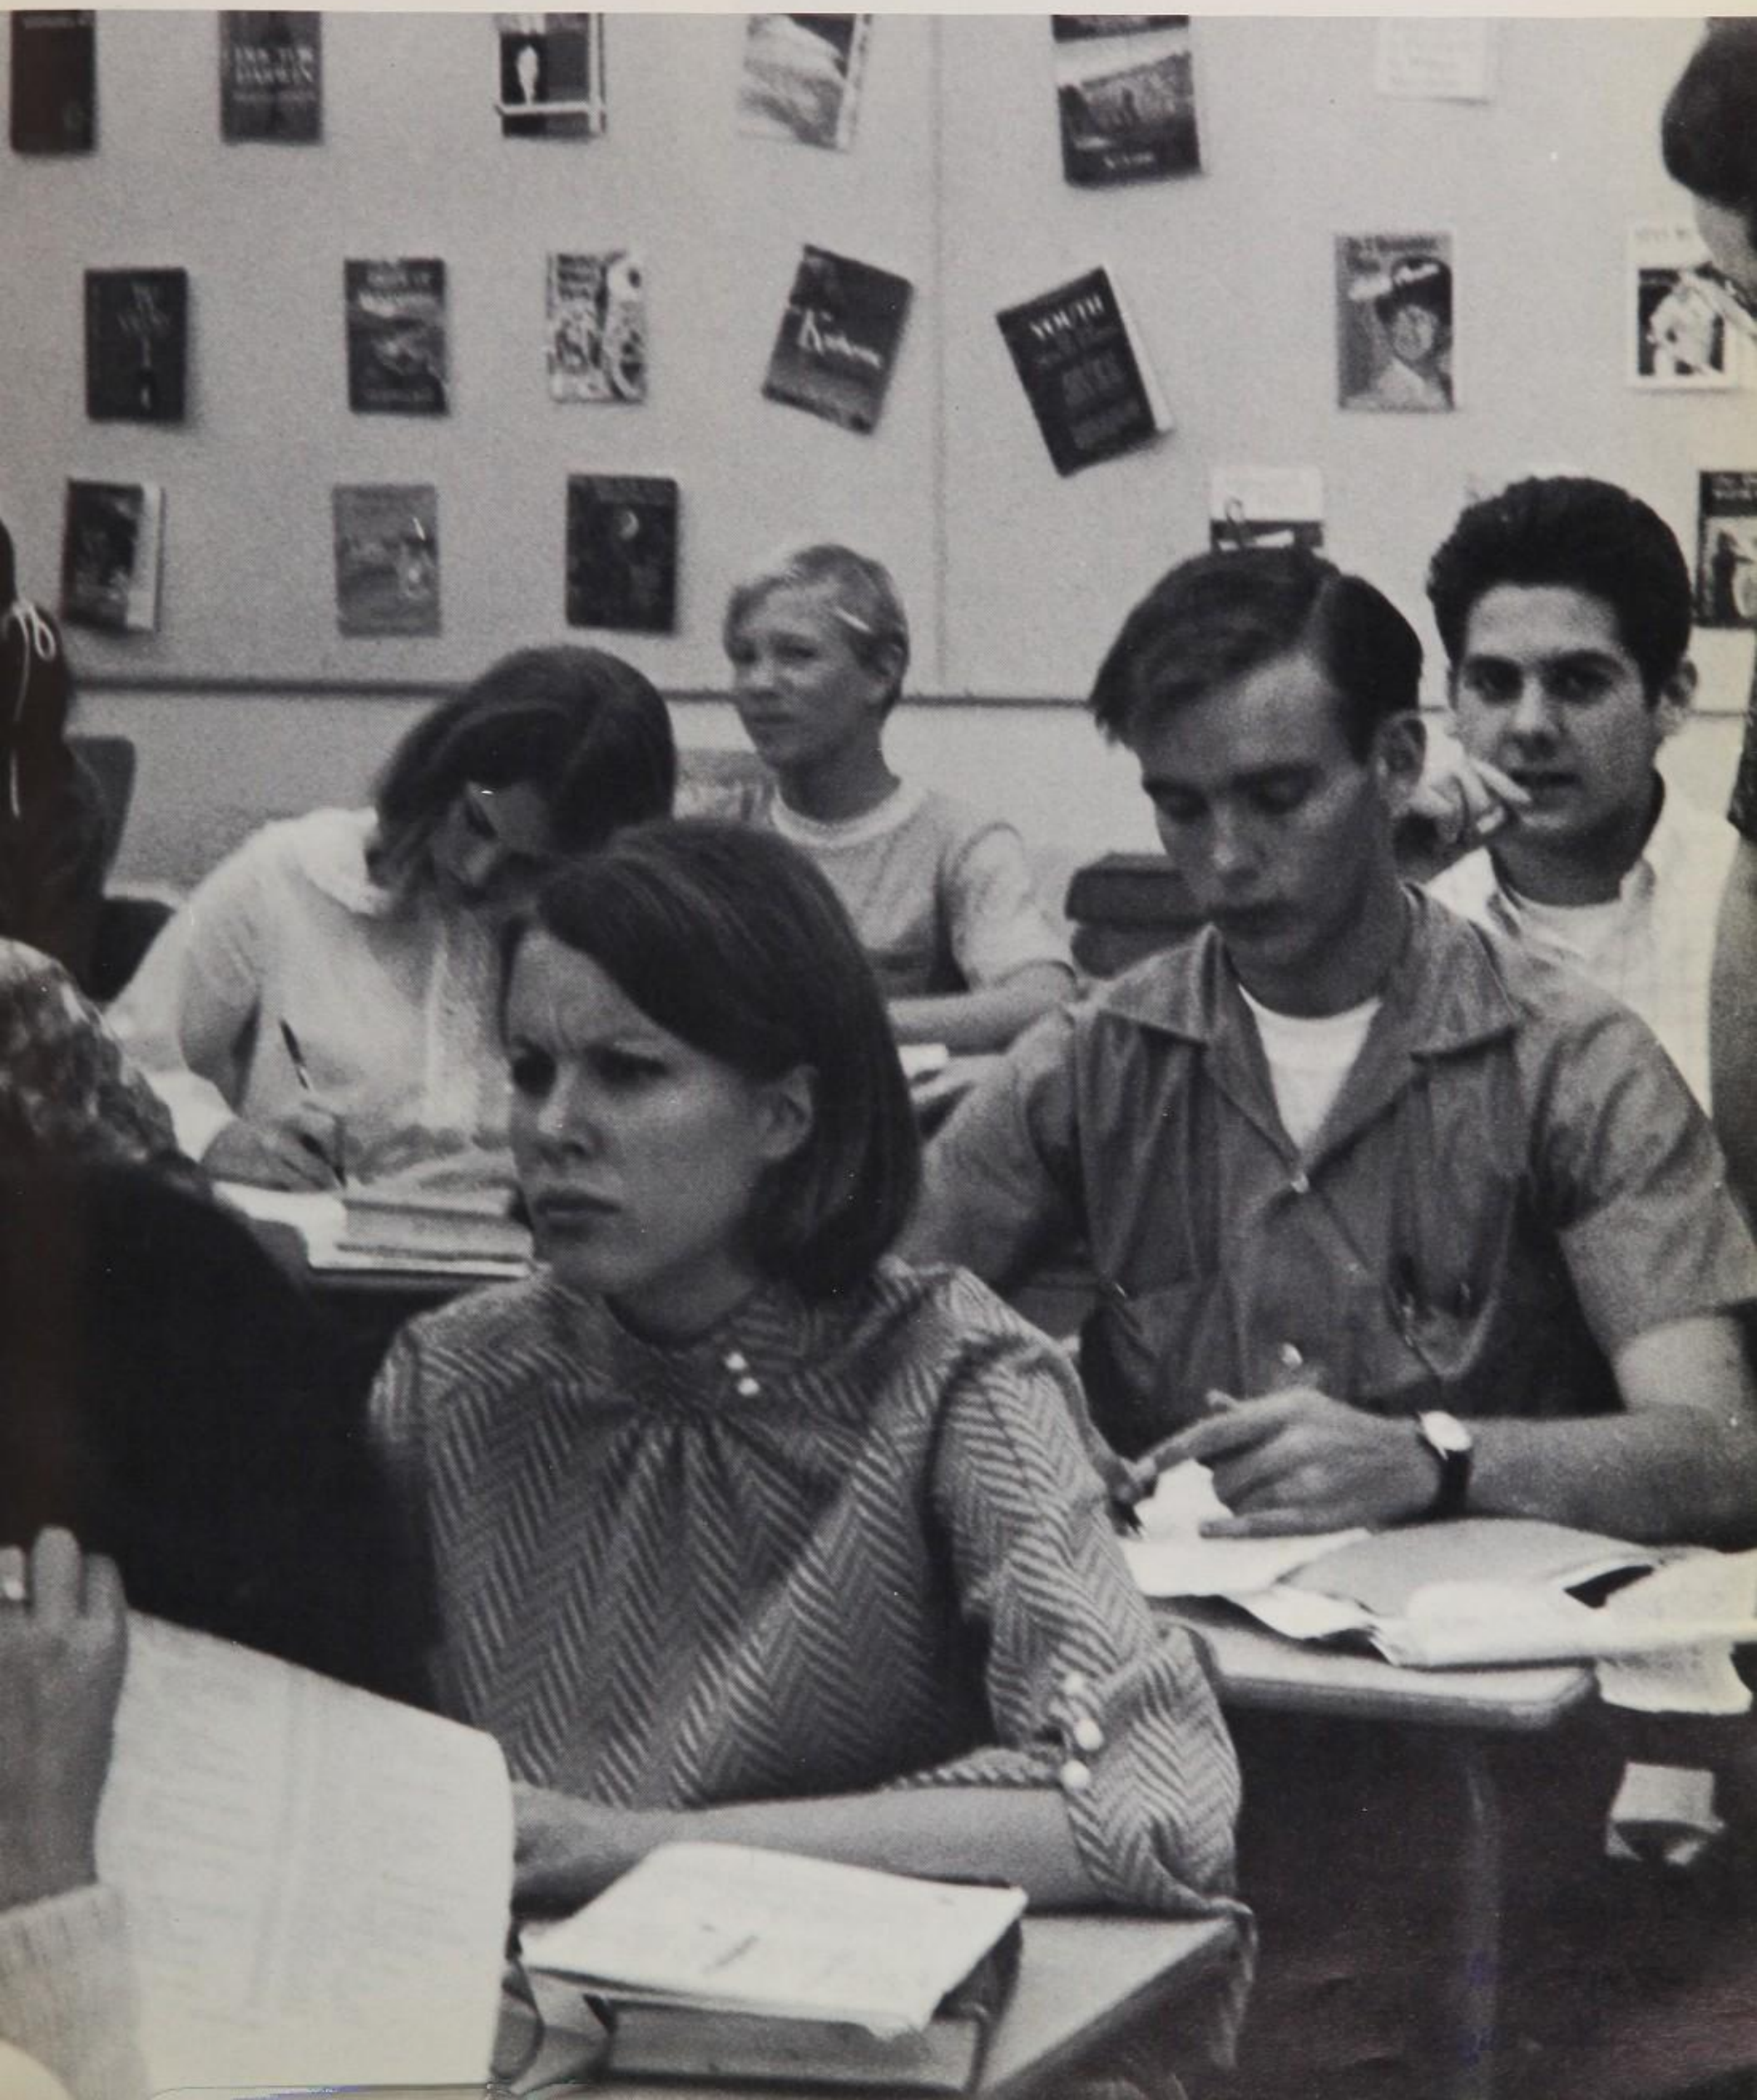
English three required much concentration



Feelings of anxiety and tenseness surround all WHS rallies and assemblies.

Seniors finished

Following in the tradition of a Senior Class, the Class of 1969 once again proved its sovereignty by placing first in yearbook sales. Last November 69% of the Senior Class flocked to the counselor windows to purchase the 1969 CITADEL. This support was typical throughout the year and especially when class competition was involved.

Coming up behind the seniors was the Class of 1970 with 55%. Third place in CITADEL sales went to the sophomores with 54% while the freshmen stayed in the cellar with 50%. For being victorious in the yearbook sales contest, the two facing pages are dedicated to the mighty Class of 1969. Seniors were also first to receive their 1969 CITADELS.

"To be, or not to be: that is the question," is the famous line from Shakespeare's *Hamlet*, vital to seniors in English IV.

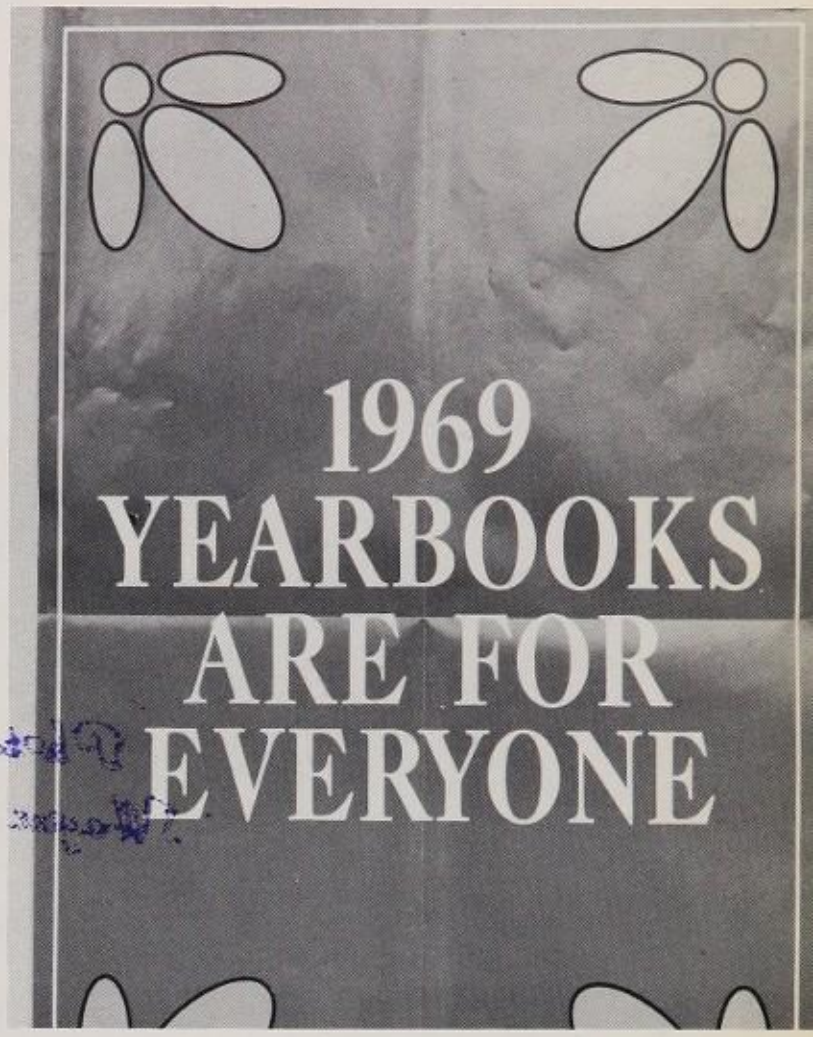
Included in the activities of some seniors is the Girls Athletic Association. Team sports such as field hockey encourage enthusiasm, determination, and teamwork.



A familiar sight in J26 is this poster depicting the vast coverage of the 1969 CITADEL.

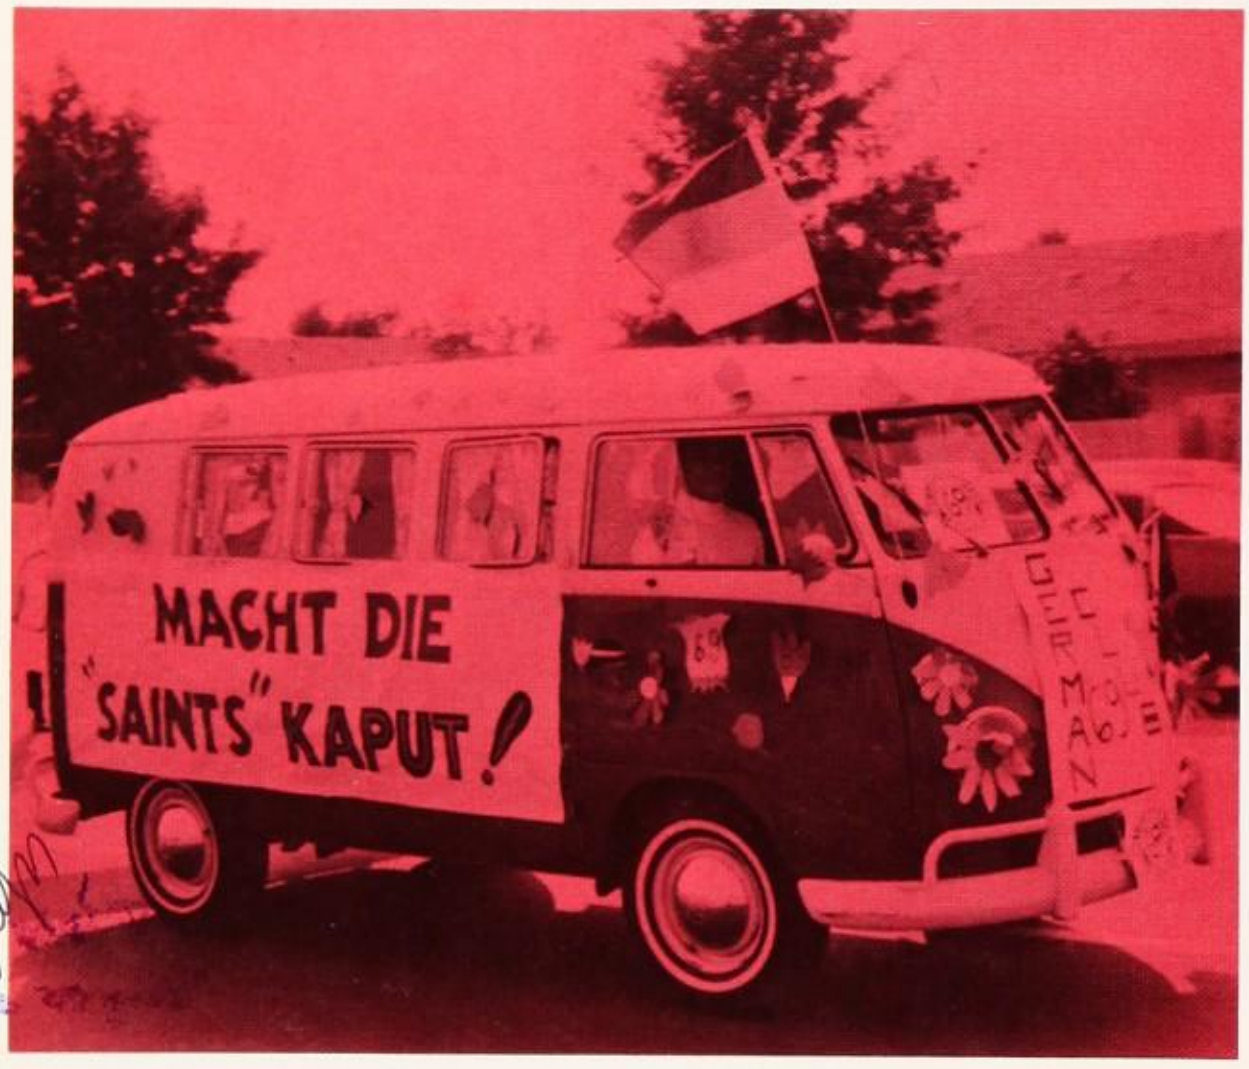
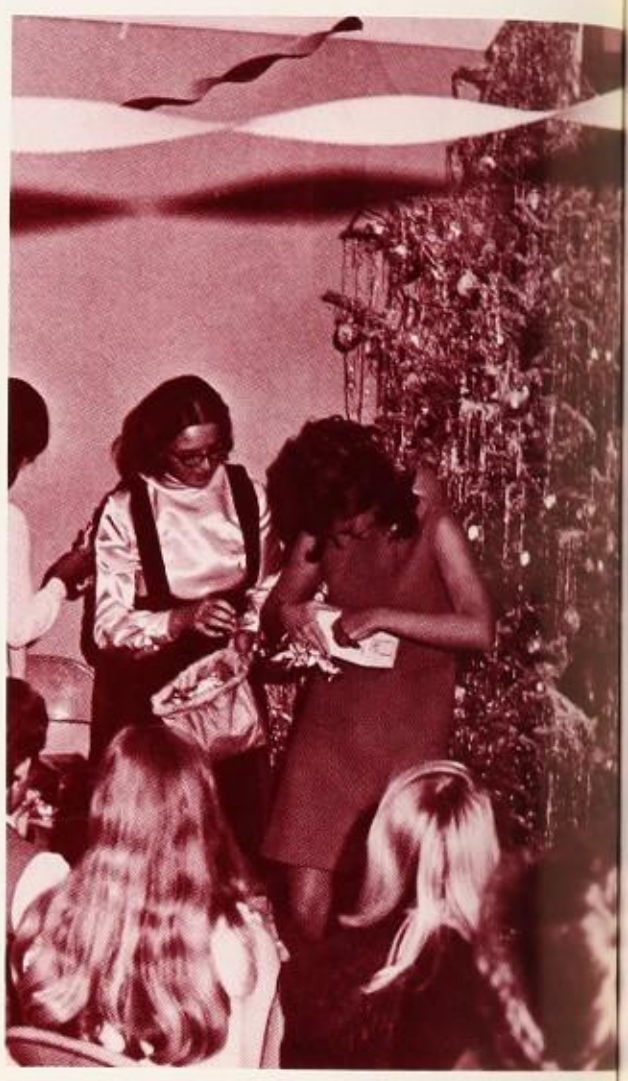
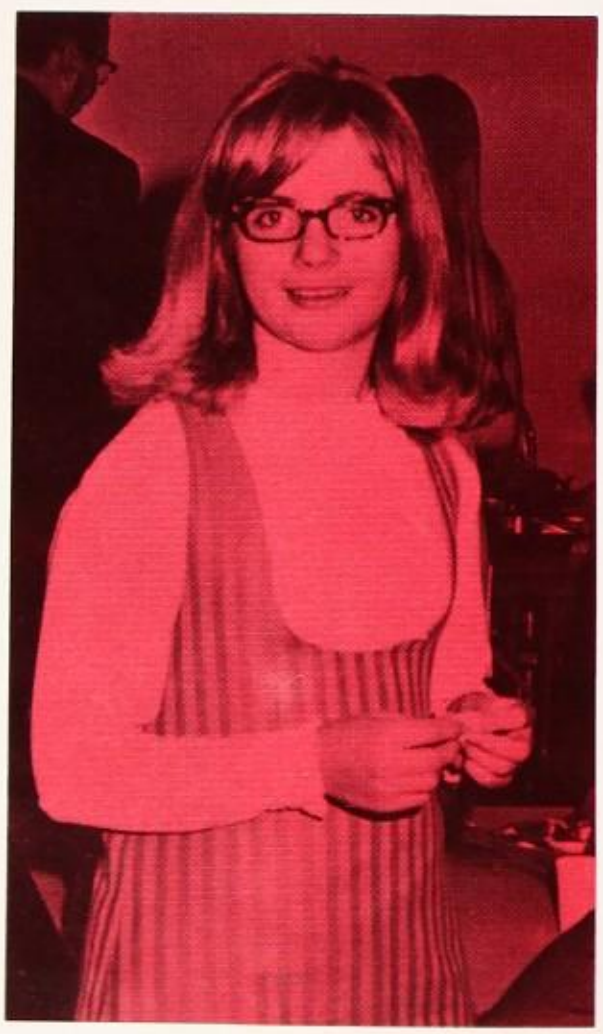
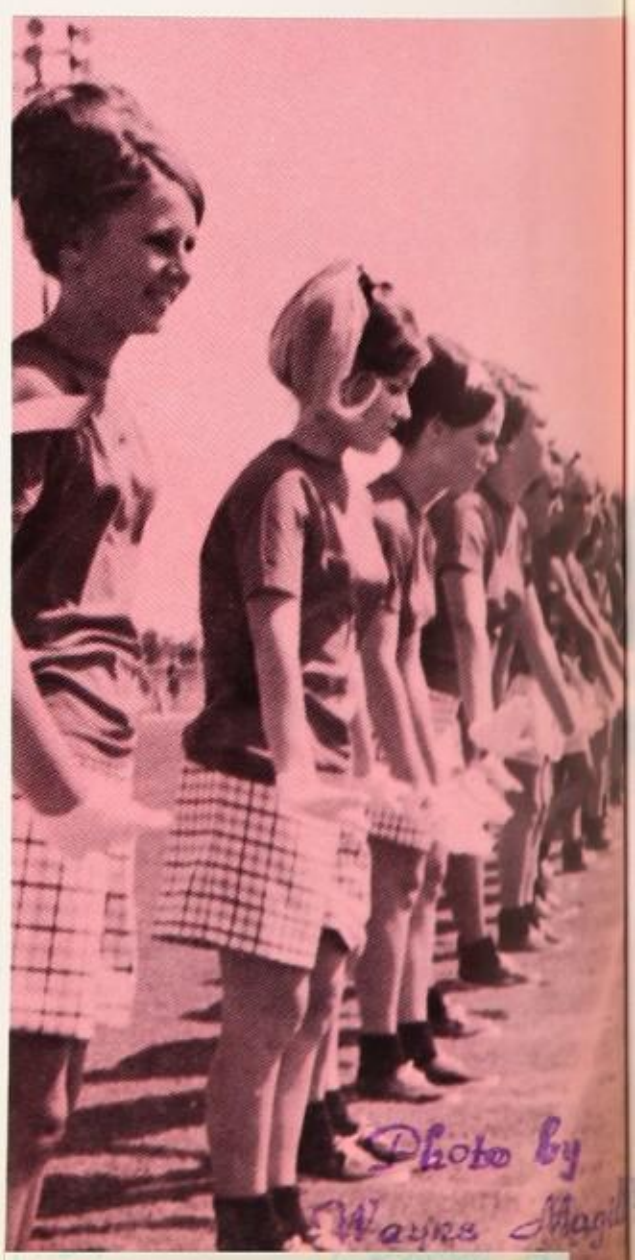
THE TIME IS









NOW

FOR *CLUBS*

From business to music, from science to foreign languages, from medicine to spirit promotion, and from surfing to debate, the WHS clubs and organizations involved most of the student body in their various fields of interest.

The main purpose of each club was to bring closer to the students the knowledge and work of its activity. Through the clubs the students were given a chance to look further into possible careers or activities they enjoyed.

With more than thirty official clubs and organizations on campus, it was a busy year with all the club-sponsored activities.

The Cheerio Dance, sponsored by Girls League, started off the year. It was followed by the Pep Parade; the AFS white tag sale; the fall play *The Birds*, put on by Abbey Squires and Thespians; and the spirited Girls' League Week, topped off by the Prisoner's Ball. The climax of the year was the traditional Piccadilly Fair.

Peppy yell leaders helped

Creating and leading the spirit of the student body is the big job handed to our eight yell leaders.

Led by head yell leader Kathy Woesner, the girls performed with routines and yells at games, assemblies, and rallies in order to show our support for our school and all athletic teams.

Endless practices and competitions added to the tiresome work of yell leading. Last summer our girls went to Hibbard's California Clinic at LaVerne College. In the final competition they placed third and then were named the hardest-working squad.

At pep assemblies, tons of spirit rolled out of the Spirit Jug.

Drill team leaders

Marching with more than a hundred English-outfitted girls, the drill team brought honor and pride to WHS during the past year.

From gala pre-game and half-time shows at football games to marching in the pep parade and Founder's Day parade, to attending a competition at Chaffey College, the drill team set an example of the true Lions' spirit.

Mrs. Yolanda Swenson is the advisor for the drill team.

Banner girls spelled out school pride

Adding to the spirit promoting force at WHS are the banner girls.

These girls projected school spirit by proudly carrying the letters of our school name at football games, parades, competitions, and other activities identifying with the superiority of WHS.

This marching unit is open to all girls in the upper classes. The selection of banner girls is made according to the girls' marching ability.

A touch of old England was highlighted in the Year of the Scholars and Champions as the Flag Bearers proudly unfurled their flags of the Mother country.

These girls performed with their British-colored flags at football games, pep assemblies, and at competitions.

This year the Flag Bearers and the rest of the WHS marching units took part in competition at Chaffey College, where Westminster came in second runner-up.

Majorette and twirling baton formed skillful, exciting team

Renee Melchiori

This year brought WHS the title Home of Scholars and Champions; Renee Melchiori was certainly no exception. She proved to be a champion majorette in more ways than one. With a total of 130 awards for her twirling, it is no wonder that she added excitement to our school's half-time shows and parades. Renee is a member of the Firebirds, a group who has held the state championship for three years in a row, and she has twirled for the Rams for the past five seasons. Among her accomplishments are numerous first place awards.

Renee waits for her baton to come down during one of her great half-time performances.

Renee makes a pretty picture on the field.

Kathy Phillips

Mascot proved greatest lion

The mascot adds to the celebration of a touchdown.

Kathy Phillips proved with enthusiasm this year how truly great it is to be a Lion. Hidden inside the noble Lion costume, she was always a familiar sight at pep assemblies, football games, basketball games, and all the places a peppy lion could go. Kathy's silly antics brought laughter and she heightened school spirit with friendliness.

Kathy Phillips, as Lion mascot, is a part of the pep assemblies and rallies.

It's great to be a Lion!

Kathy takes a rest after some hard yelling for the team.

Foreign exchange students visit WHS through world-wide program of AFS

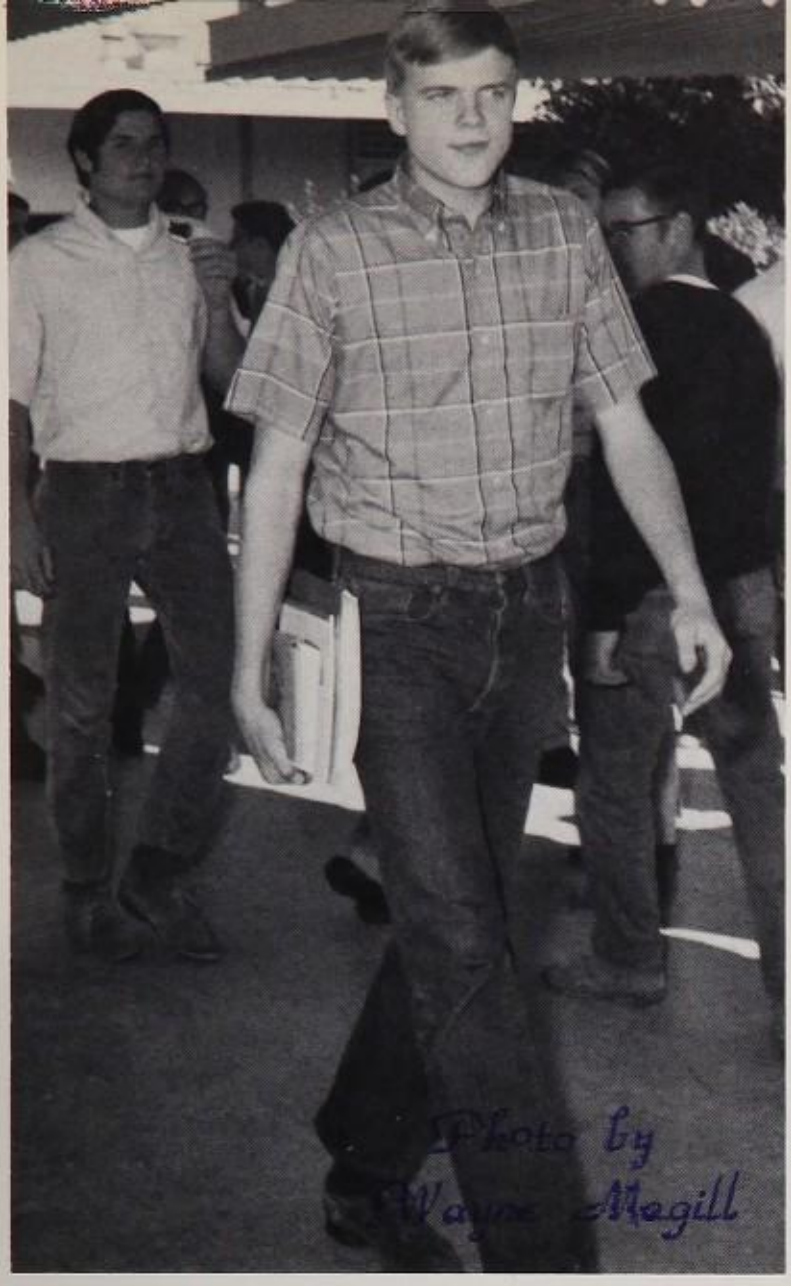
Interest in AFS is worldwide because it is through this organization, the American Field Service, that the foreign exchange students are sent to and from Westminster. It is the purpose of this club to bring students from other countries to live in American homes and attend our schools.

This year WHS was honored to have two foreign exchange students, Beinta Jakupsstovu and Borje Darpo.

AFS held its biggest activity, the white tag sale, early in the year. This raised money for its program of supporting exchange students.

AFS TOP ROW: Mr. Milloy, advisor, R. Norris, N. Wilson, J. Welch, C. Hoff, S. Meredith, G. Goodale, P. Nuschke, and G. Stevenson; SECOND ROW: S. Smith, C. Willer, D. Crawford, D. Smith, C. Glasgow, L. Collins, S. Weekley, and C. Turner; BOTTOM ROW: D. Harris, vice-president, C. Maitland, president, B. Jakupsstovu, P. Crowell, treasurer, and K. Halavat.

AFS entered the theme "It's a Small World" in the pep parade.



Borje Darpo became a Swedish Lion.

Borje Darpo visited as exchange student

Adding a Swedish touch to Westminster this year was Borje Darpo, foreign exchange student. Coming to our school through the Youth for Understanding program, Borje became an active Lion as he participated in varsity football, Bowling Club, and many school activities.

While in Westminster Borje lived with the Philip Alberts, whose daughter Cathy was a yell leader here. Borje came from his Swedish family of six, where he was the youngest. After returning to Sweden Borje has two more years of education left before he goes on to the university to study either technology or medicine.

Borje said the differences between American and Swedish life were mainly the school system, the social life, and the crowded housing. He said the people he met were very friendly and nice,and most of all he enjoyed the warm weather and going to different places.

Westminster welcomed Beinta i Jakupsstovu

Beinta i Jakupsstovu brightened the WHS campus this year as an AFS foreign exchange student. Coming from the Faroe Islands, which are between Iceland and Norway, Beinta became a foreign exchange student in order to learn more about America and to satisfy her ambition to travel.

Beinta was a member of AFS, Royal Teps, and the House of Lords. She lived with the Aguirre family, whose daughter Cassie was a sophomore here. At her home in the Faroe Islands, Denmark, there were eight children in Beinta's family.

Comparing her two homes, Beinta said that there were no luxuries like televisions or dishwashers at home. Here there were more places to go, and Beinta thoroughly enjoyed that. She visited Disneyland, Hollywood, Sacramento, Mexico, and other places. Referring to her American home, Beinta said she had a "real neat time there. Thank you for the year."

The whole school thanks Beinta for making it a better year.

Beinta points out her home on the globe.

Practicing for the Scholar Bowl are: *STANDING:* Mike Lefevre and John Richmond, team captain; *SEATED:* Moses Chao, Greg Witt, and Ron Goldberg.

'Scholarship for Service', the motto for the California Scholarship Federation, became evident as students took advantage of the CSF tutoring service. The more gifted Lions became involved in the Scholar Bowl an academic competition much like television's College Bowl.

To become a member of CSF, ten points must be earned in approved subjects from six classes and twelve points from seven classes. An 'A' is worth three points while one point is given for a 'B'. Membership is open to sophomores, juniors, and seniors.

Highest honors given to Sealbearers

Attaining the highest academic honor at WHS, that of being a CSF Sealbearer, are fifteen seniors. To acquire the title of Sealbearer, the student must maintain membership in SCSF for at least four of the last six semesters, of which one must be in the senior year.

Members of this elite group will don gold tassels at graduation, will have gold seals affixed on their diplomas, and will receive CSF Lamp Pins which denote life membership. Five other seniors may share in the honors if they achieve a 3.6 grade point average this last semester.

SEALBEARERS TOP ROW: Chris Liffreing, Pam Brenz, Lillian Burns, Moses Chao, June Anderson, Karen McDaniel, and Rosana Patrona; BOTTOM ROW: Diana Brown, Naomi Belton, Debbie Babcock, Linda Curl, and Jane Patterson. NOT SHOWN: Richard Potter, Dave Harrington, and Ardene Barth.

A new rule was made this year that enabled students to use the last semester of their senior year to count towards being a Sealbearer. Because of this, it was not known until the very end of the year who all of the Sealbearers would be. The following people are possible Sealbearers. They will know at the end of the year if they achieved the title of CSF Sealbearer.

Drama made popular by Abbey Squires

Abbey Squires is a club aimed at promoting a better understanding of the theatre arts in the school and throughout the community. In doing this, they showed their versatility throughout the year.

Along with presenting their annual fall and spring plays, they also performed throughout Westminster at junior high schools and at children's shows at Westminster Library. Many field trips to various plays and films were taken and one-act plays were entered in contests.

Abbey Squires helped to produce the successful fall play, *The Birds*.

National Thespian Society was honor for deserving students in theater arts

The National Thespian Society serves as an honor society for those students who have made an outstanding contribution to the school in the area of theater arts.

Included with their usual activities were numerous field trips. Evening in the Theatre was presented as an experimental project, and included poetry reading combined with mime and dance.

Mike Leininger was Pithataerus in "The Birds".

The birds flew and sang in the play.

'Resolved that the United States adopt a system of compulsory national service by all citizens,' was the topic of WHS debaters as they joined with individual speakers to form the National Forensic League. NFL opened its year with an Open House and demonstration clinic.

The club received high acclaim throughout Southern California in numerous contests. Acquiring the Double Ruby Honor, a result of earning 500 points in speech competition, were Thomas Hankley and John Richmond.

These two also made it to the National Debate Semi-Finals at USC. Other leaders in debate were Bruce Baron and Gary Quick.

'Make love, not war' was NFL's theme in the pep parade.

Buckland, consul.

With the touch of the ancient Romans, Latin Club members sold slaves in preparation for their annual Latin Banquet. The theme, "A Trip Through Hades", provided for new and exciting paths of entertainment and decoration for the banquet.

Aside from the banquet, the Westminster High "Latins" also made a trip to Hollywood to see the movie "Finian's Rainbow", had a swimming party, and joined in at the international Christmas party with the rest of the language clubs.

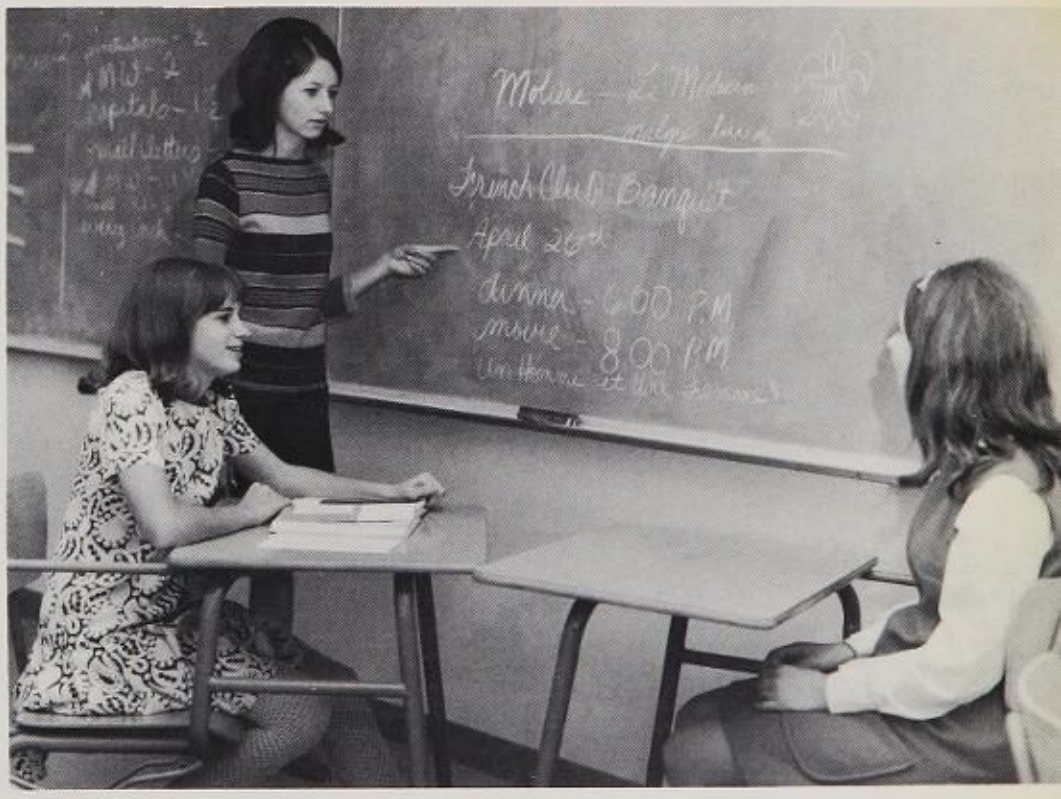
French Club added its foreign tongue to the traditional English Lion campus

Adding a touch of romantic Europe to the WHS scene was the French Club. They truly proved that the French could break down the language barrier with the English Lions as they participated in and expanded school events.

Early in the year the French Club held a sucker sale to help promote school spirit. There was also a Christmas party with the other language clubs, a field trip with German Club, a banquet in the spring, and a role in the Piccadilly Fair.



President Lillian Burns discusses plans for the banquet.

French Club helped to sponsor the international Christmas party.

SPANISH CLUB TOP ROW: L. Mansker, K. Gentry, L. Eby, G. Morgan, T. Gingerelli, K. Mansker, secretary, and Mr. Gilbert, advisor; BOTTOM ROW: L. Curl, President, R. Goldberg, vice-president, M. Leach, and J. Privette, treasurer.

Spanish Club dedicated to the language

Spanish Club, through its different activities, was able to bring closer to the students an understanding of the Spanish life, language, and customs.

Such events as the international language Christmas party, the traditional Pep Parade, the Spanish Club field trip, and their banquet at the end of the year, all helped to further the appreciation of the students for the foreign language while at the same time it helped to increase student involvement in school affairs. Spanish Club also helped AFS in selling the white tags earlier in the year.

At their meetings Spanish Club discussed their activities.

Spanish Club contributed to the international Christmas party.

June Anderson opens Christmas gift at international party.

Increasing the students' interest in the German language and people was the German Club. This group was a major part of the large capable foreign language system at WHS.

School spirit was shown when the German Club participated in the Pep Parade and language club Christmas party. The German Club also held many private activities, all adding to the bright campus life.

German Club increased students' interest

Adding their touch to the language clubs' Christmas party were German Club members Terry Donald and Sal Di Paola.

GERMAN CLUB TOP ROW: Mrs. Davenport, advisor, T. Mauter, M. Poetoehena, P. Baron, M. Chao, and Mr. Stone, advisor; SECOND ROW: J. Anderson, T. Stevenson, T. Donald, M. Lewis, and S. Royal Teps' year filled with service

Combining service with activities, Royal Teps encountered a busy year. Canned foods were collected from homerooms in December and were donated to underprivileged families in the community. Christmas brought caroling Teps to local convalescent homes.

Throughout the year the club supported a needy family. In February they went to the snow. Easter found Teps members visiting Fairview State Hospital with Easter baskets after going to Palm Springs.

Teps went off on a field trip to the snow for a day of fun. How was the ride, girls?

Pep Club added to the spirited pep parade.

Pep Club members unified school spirit by strong participation in all activities

As one of the largest clubs on campus, Pep Club was responsible for encouraging enthusiasm in the students, teachers, and athletic teams at WHS! Pep activities to promote this enthusiasm and spirit were numerous. An endless number of posters were made, CIF buttons were sold, and the club's participation in noon rallies are a few. The club sponsored the Homecoming Dance and homecoming activities.

Six pep club members, our song girls, instilled spirit at football games.

Interact promoted service, activities, basketball tourney

Interact, a boys' service club, is an affiliate with the Optimist Club. Included in the club's yearly activities was the Rotary Basketball Tournament held in December. It was shared with Marina High School, and a total of thirty-two teams came. The club took various trips during the year, such as to Palm Springs and Salton Sea. The year was topped off with the annual Steak Dinner for boys who worked a set number of hours for the club, or for the school.

Medicine-minded students interested in help of Future Medical Careers Club

Through all of its activities this year, the Future Medical Careers Club bound together those students who were interested in possible medical careers.

Although the main interest of students was nursing, those members wanting to investigate other medical fields were also aided in learning more about their interest.

This year the club promoted projects to aid the different hospitals in our area.

And They Write produced by Literati, creative writing discussed

The Literati or creative writing club members work diligently every year to put out our school's anthology, *And They Write*. The anthology is a paperback publication put out by the club in which any WHS student may become "pubblished". Each poem or short story that is submitted to the club is judged by three different members of the club and then by Mrs. Dorward, the club advisor.

The members of this club are also there to learn, and many of their meetings are devoted to lunch-time discussions varying from writing in general, to the very beat of a poem.

V.P. of Dances

From dances, to spirit,

Throughout the year, Girls League promoted activities that benefited the school. Big and Little Sister Day started the long chain of activities and was followed by Cheerio Week and the Cheerio Dance. Friendliness reigned as Friendliest Boy and Girl were crowned.

Spirit was the subject during football season; booster ribbons were sold for every game. November brought a fall convention that went Up, Up, and Away as Girls' League officers from 20 different schools exchanged ideas on school orientated subjects.

Whether it was giving a needy family a Thanksgiving dinner or giving hospitalized children Christmas stockings, holidays always meant a special activity for Girls' League. Students got into the Christmas Spirit when Christmas Grams were sold and delivered by Santa.

Girls' League Week was one of the highlights of the third quarter, and ended with the Prisoners' Ball. Girls' League was responsible for the nominations of the Girls of the Months and two assemblies.

Music groups at WHS, both vocal and instrumental, demonstrated their great talent and ability during the year.

With the addition of a new group, the Charoleers, the music department was expanded to more than ten different music groups. Men's Chorus, rich in male voices, also combined with girls from Girls Glee III to form the highly talented Lancer Choir. In the instrumental department the WHS orchestra proved to be a valuable asset to the music organization.

The groups performed in the annual Christmas program and the spring concert. The school was proud of the fine effort that they put out.

talented, adaptable vocalists at WHS

As the top choir at Westminster, Concert Chorale combined the best singers in the school to make a total of more than eighty talented students. Under the direction of Mr. Jon Vorisek, a new addition to the music department this year, they performed at numerous activities both on and off campus. Their excellence was shown at the traditional Christmas assembly in December, and they also proved their ability at the annual spring concert in May.

The choir performed with skill at the Christmas program.

Choraleers showed talent, versatility

Acclaimed the best in Orange County, the WHS Choraleers enthusiastically revealed their talents and versatility at assemblies, school events and various out-of-school meetings, banquets, and conventions.

Under the direction of Mr. Jon Vorisek, this group of sixteen elite musical students performed such selections as "You're a Good Man, Charlie Brown", "My Cup Runneth Over With Love", and songs from "Camelot". Their opening song was "Step to the Rear", and popular music and Broadway musical selections were interspersed with folk songs and madrigals.

SPORTS

Westminster High School lived up to its tradition of Scholars and Champions as it proved to be one of the sports powerhouses in the CIF. Athletics have made Westminster known throughout Orange County and people everywhere have heard of the pride of Westminster. The tenth anniversary of WHS was the best year of all as the football team ranked third in the state, second in the CIF, and first in Orange County. Cross Country continued its reign in the Sunset League as they swept to another league championship. Basketball, once thought of as a secondary sport to football, also showed great prowess on the court as they beat such powers as Mari on the court as they beat such powers as Marina and Newport Harbor. Jeff Powers, star forward on the Lions, was one of the best players in the county as he consistently hit 20-25 points per game. Westminster's springs sports also looked forward to a successful season as last year's baseball team had many returning letterman from last year's Sunset League champs. The track team began workouts right after football and they also promised a successful season.

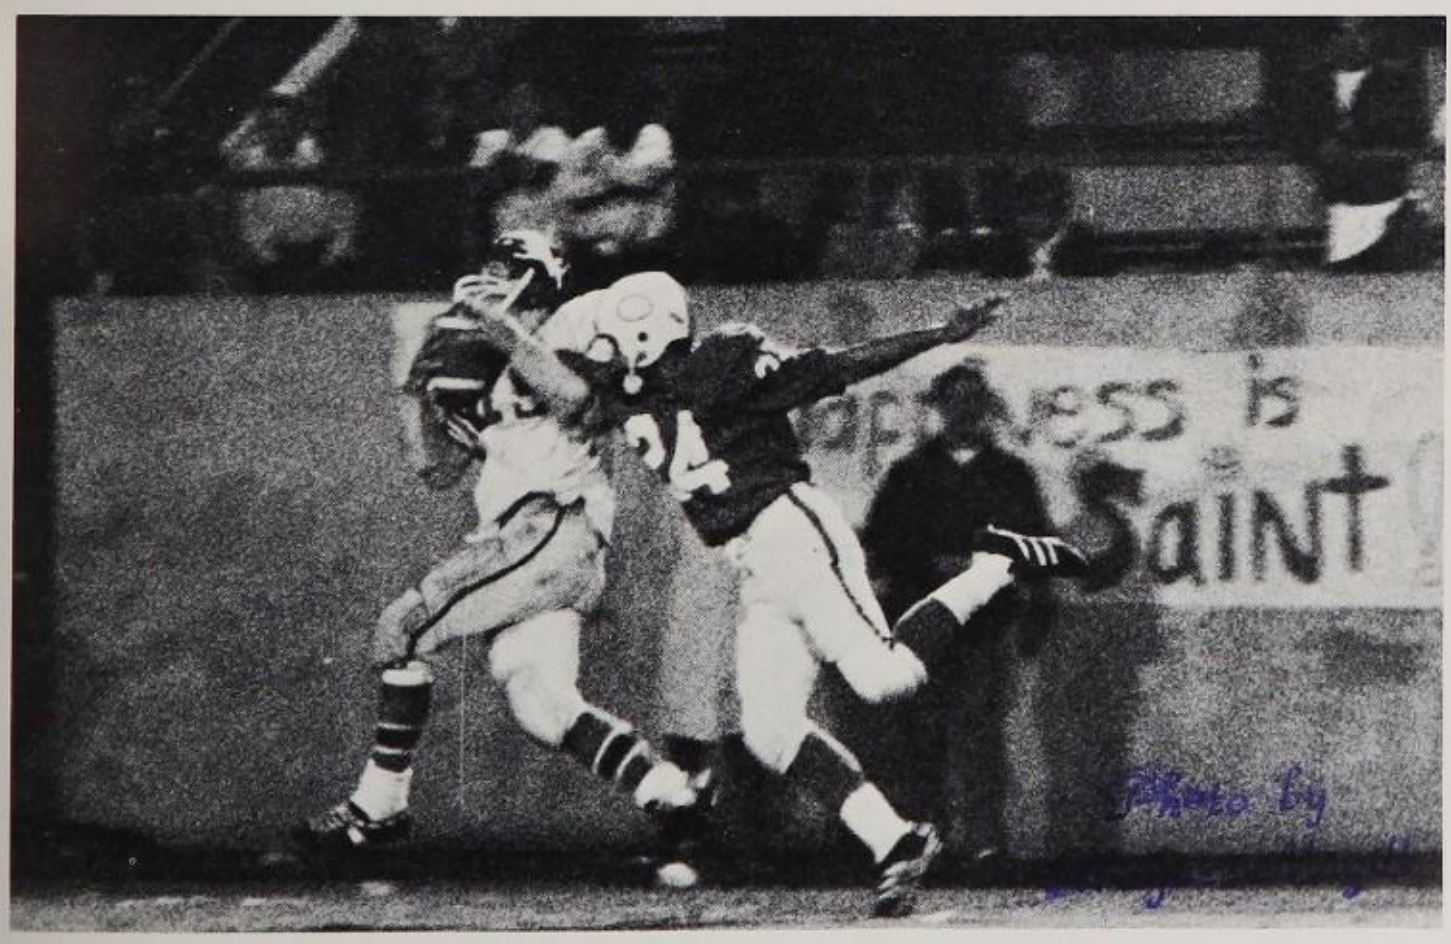
W.H.S. - 12 LAKEWOOD - 21

The Lions traveled to Veteran's Stadium for their first game against the Lakewood Lancers. Lakewood struck first on a TD pass from Mike Rae to Gary Rankins. Westminster's "little giant" Mike Haynes broke for a 52 yard scoring run as Ray "Tug" Strotman laid the breakaway block. Minutes later, Darryl Berg took a pitch and romped in from the 14 to make the halftime score 14-12, Lakewood. Later, Lakewood put the game out of reach with a long gallop by Mike Rae.

W.H.S. - 34 EL RANCHO - 25

Westminster whipped the El Rancho Dons in a wild offensive show at the Lion's Den. The Lions scored first on an 8-yard sweep by quarterback Ed Bane. The Dons bounced back with a quick score by Randy Drake. Charley Buckland answered the call with an electrifying 95-yard kickoff return to the 2-yard line. Ron Shepherd blasted over from the one to make it 13-7. The Dons refused to quit and tied 13-13. Westminster staged one of the great drives of the year as they marched 90 yards in 15 plays, with Shepherd going in from the three.



Darryl Berg snags a long bomb from Ed Bane for the first touchdown of the Santa Ana game.

Unidentified Santa Ana Valley player fumbles after being hit hard by Ron Shepherd (36). Lions went on to win, 50-0.

W.H.S.-14 ANAHEIM-2

The Lions won the greatest game of the school's 10-year history as they whipped the C.I.F.'s #1 ranked team 14-2. With 12,000 people lined all around the Lion's Den, W.H.S. soundly put down the Colonists of Anaheim. Tom Coleman provided the first scoring opportunity when he pounced on an Anaheim fumble. Four plays later Mike Haynes went in from the two to make the score 7-0 at halftime. With the score 7-2 and faced with a 3rd and long situation, the Lion's ran a tricky draw play to Ron Shepherd who ran 58 yards to the Colonist's 20. Darryl Berg went the final 20 yards to put the game out of reach and completed the great win over Anaheim.

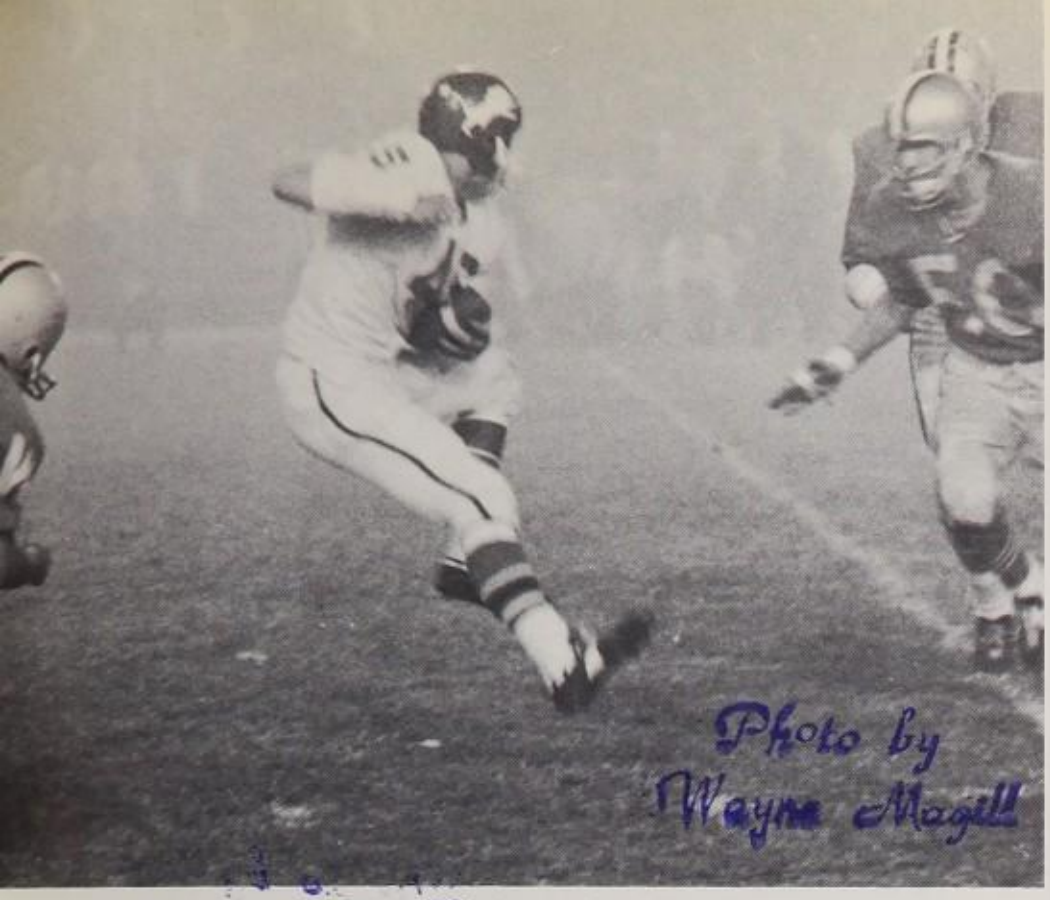
Ruly Membrila (67) gets assistance on tackle throwing the El Rancho Dons for a loss at the Lion's Den.

W.H.S.-26 HUNTINGTON BEACH-20

Westminster traveled to Huntington Beach for their match against the strong Oilers. Darryl Berg took the opening kick-off and returned it for a touchdown. Huntington's Mike Priddy returned the favor by taking the Lion's kickoff and flying 85 yards for the score. Westminster came back with a touchdown as Ron Shepherd plowed in from the one. Faced with a passing situation, Huntington's quarterback dropped back and threw a pass. John Aldridge intercepted and drove through the middle for the score. Charley Buckland put the game out of reach as he scored the final touchdown, making the final score 26-20.

W.H.S.-50 SANTA ANA VALLEY-0

Santa Ana Valley's Falcons came into the Lion's Den on W.H.S.'s homecoming prepared for battle with the mighty Lions of Westminster. Westminster started slowly but got rolling on a pitch out to Darryl Berg who ran the ball to the 2 yd. line. Eddie Bane went in from the 2 and after that the Lion's didn't look back. Mike Haynes and Ron Shepherd each scored a T.D. and made the score 21-0. Mike Roberts came in and threw a T.D. strike to Leroy "Tug" Strotman. The second half was highlighted by interceptions and a 40 yard field goal by Deano Aldridge. Westminster's 50 points was the highest score ever run up by the Lion's offense.



Darryl Berg (45) fakes as a trio of Western defenders move in.

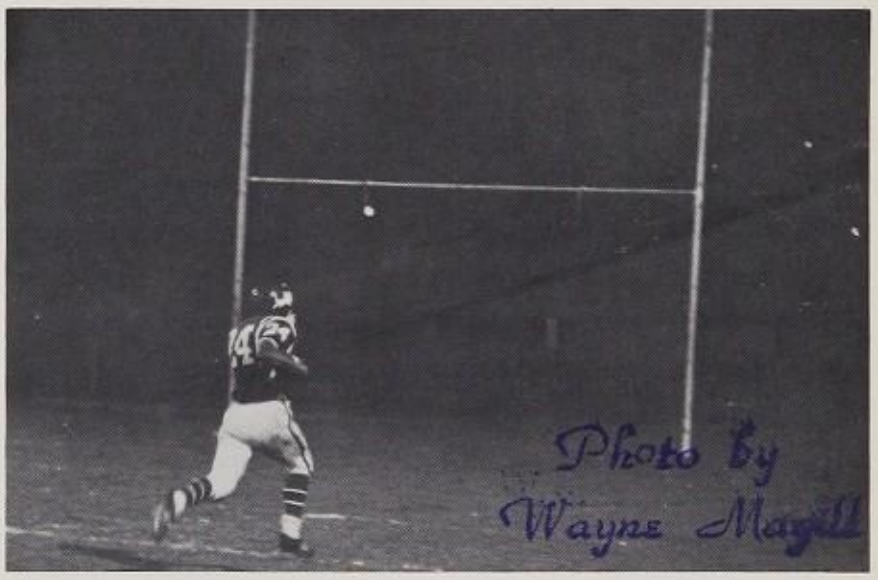
Seven made All-League

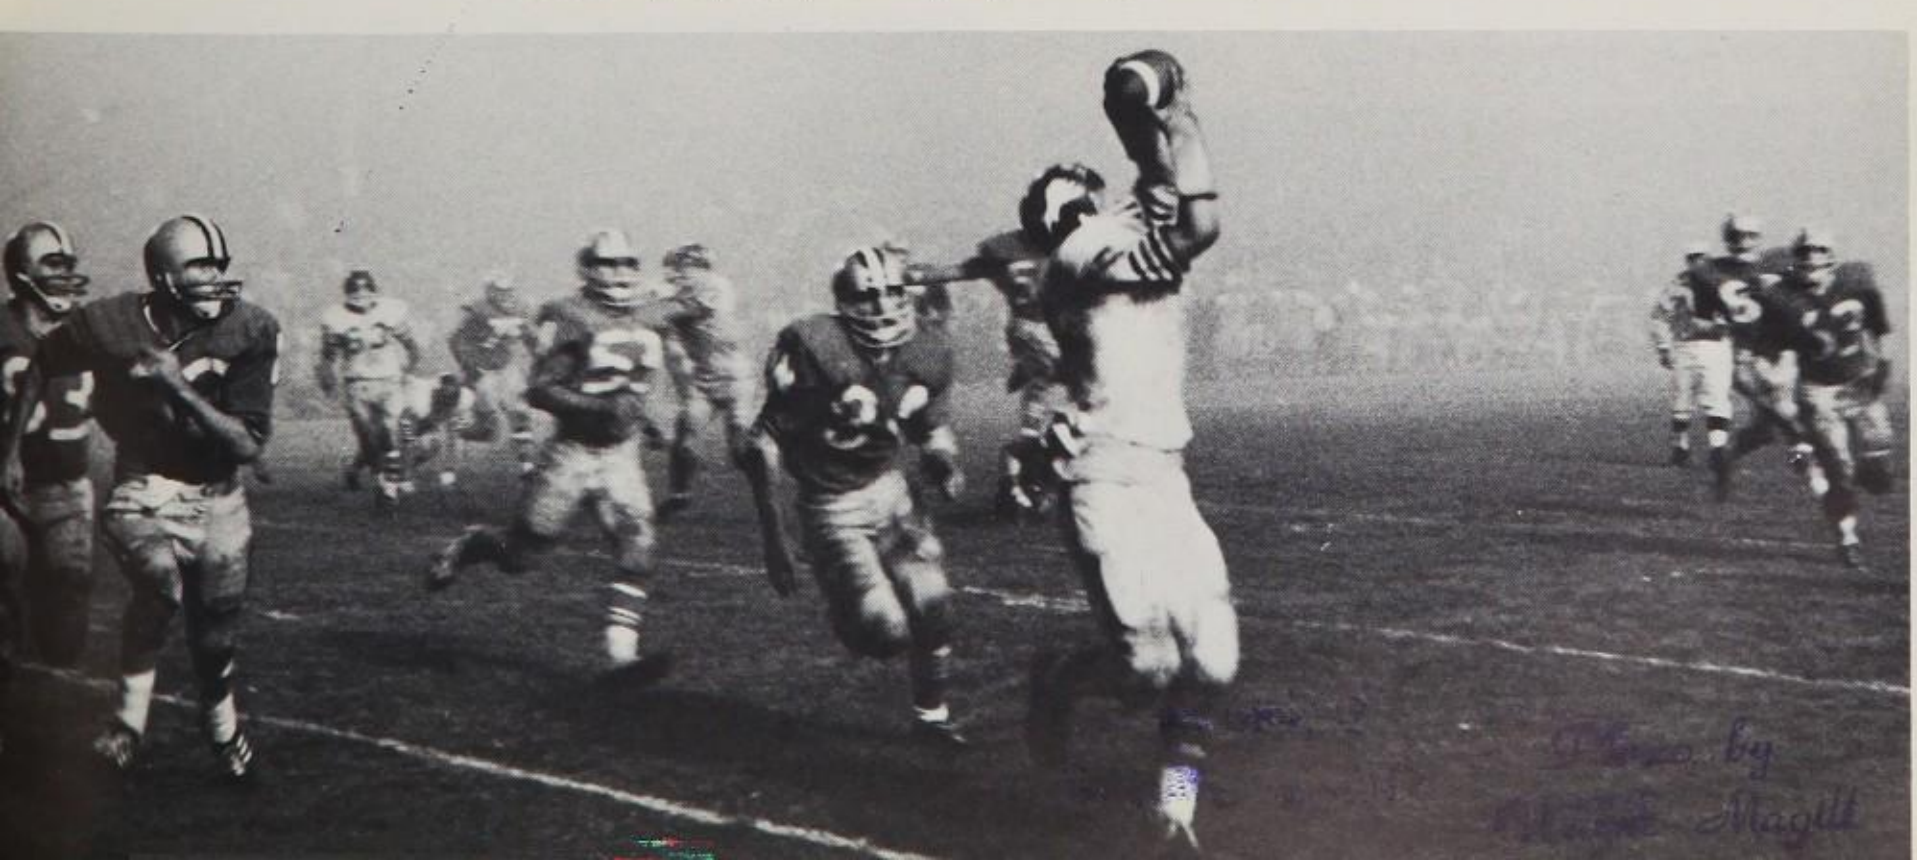
W.H.S.-32 WESTERN-7

The Lions traveled to Western on a foggy Friday for their match with the Pioneers. W.H.S. kicked off and the defense held Western's well-known passing attack. The offense took over and marched 88 yards, right through the Pioneer defense, for its first six points. Western came back with a six-pointer of its own and went ahead 7-6. The Lions marched down to the Pioneer 25, where Eddie Bane hit Darryl Berg with a touchdown strike. The offense got the ball again and passed the ball to the 11-yard line. Bane hit Berg with another touchdown pass and the Lion's went ahead 18-7. Charley Buckland closed out the first half festivities with an intercepted pass for a touchdown. The defense took over in the second half and the final score was 32-7.



Charley Buckland easily gets six.

Darryl Berg snags high pass for a good gain during Western game.



The mighty Lions take to the field.

W.H.S.-35 NEWPORT-28

Westminster met Newport Harbor in the Lion's Den and almost lost their number one rating in orange County. Harbor took the opening kickoff and marched for a quick touchdown. Charley Buckland retaliated by running the Sailor's kickoff back 87 yards for six points. Newport got the ball again and went for another quick score. For the rest of the first half the scoring went one for one. In the second half, however, the Lion's defense held and the mighty offense surpassed the Sailors' score. By the end of the game, the score stood at 35-28.

Lions blanked Saints, put down Tars

Berg, Haynes, and Shepherd lead the way.

W.H.S.-21 SANTA ANA-0

Westminster traveled to the Santa Ana Bowl for their game with the strong Saints of Santa Ana. The game seemed to be headed for a scoreless tie in the first half as both defenses shut off the explosive offenses. But with 38 seconds left in the half, Eddie Bane dropped back and heaved a 48-yard scoring strike to flanker back Darryl Berg. Later, Westminster struck again as Ron Shepherd plowed in from the one to make the score 14-0. The reliable Lion defense led by Ruly Membrila, Dennis Stein, Tom Lowry, and Tom Coleman bottled up the Saint's offense throughout the night and gave the offense the ball in good field position. Westminster put the game out of reach as Bane again connected to Berg for an 8-yard TD and the final score of the game.

Mike Haynes finds a hole in Western line for a good gain.

Ron Shepherd bulls around Marina's left end.

Rich McDonald lays hands on a determined Valley player.

W.H.S.-27 MARINA-0

The Lions wrapped up their first solo Sunset League title of the school's history by beating Marina 27-0. Westminster scored once in the first quarter on a run by Mike Haynes. Later, Darryl Berg and Ron Shepherd advanced the ball down to the one. Ed Bane scored from there. Marina, trying to keep out of the mud, took to the air unsuccessfully as Ruly Membrila intercepted one of Greg Henry's passes. With fourth down and two yards to go, Charley Buckland went in from the 8 to secure the win. This victory guaranteed the Lions second berth in the C.I.F. playoffs.

Ron Shepherd (36) makes it around end against Compton.

W.H.S. 40 COMPTON 6

Westminster met Compton in its first CIF game, and the Lions knocked off the Tarbabes of the Coast League. CIF Player of the Year, Darryl Berg, started the scoring by going all the way after a great fake by Mike Haynes. Ed Bane scored the next touchdown by skipping down the sideline for a 15 yard score. Highlights of the romp were Mike Haynes taking a pass and going 31 yards for a score and Greg Newhouse intercepting a pass and going all the way.

W.H.S. 34 PASADENA 14

Westminster played its best game of the year as they ripped the previously undefeated Pasadena Bulldogs. The first time the Lions got the ball, they scored on a 13-yard run by quarterback Ed Bane. Ron Shepherd played the greatest game of his career as he scored two touchdowns and gained 164 yards on the ground. Mike Haynes scored another one of the touchdowns as Westminster ran the Bulldogs up and down the field.

Lions reach CIF semis with best 10-2 record

W.H.S. 7 EL RANCHO 27

Westminster was finally stopped as the El Rancho Dons ripped the Lions by a score of 27-7. Westminster started by running the Dons all over the field and moving in for the first score after an interception by Charley Buckland. El Rancho's Randy Drake ran and passed the Lion's ragged until in the second half when the flu and Drake killed the Lions. The Lions finished the best season ever as they were ranked 1st in the County, 2nd in CIF, and 3rd in the state.

The legend of the Lion cross country teams isn't over yet. Looking back over the years, the teams have been very consistent in either winning the league crown or placing very high in the league standings. The combination of Jack Hedges coaching and the tremendous team effort made by the Junior Varsity team has shown that it's truly great to be a Lion.

Steve Beyler finishes with a good time during a big race.

Frosh-Sophs compiled undefeated season

The Frosh-Soph cross country is designed to provide the training and background necessary to advance to a higher level at Westminster. These young Lions are taken under the wing of Coach Jack Hedges upon entering high school and are taught the basic fundamentals of cross country. This year the Frosh-Soph team upheld Westminster's tradition as a cross country powerhouse and provided the Junior Varsity and Varsity teams with a qualified selection for next year's teams.

Coach Ben Taylor

The 1968-1969 Varsity basketball team represented WHS well as they featured one of the finest records ever. Benny Taylor coached the Lions to a 13-11 season as they marched over such strong teams as Newport Harbor, Marina, Magnolia, Lakewood, and Santa Ana. Jeff Powers led the cagers as he once again was one of the top scorers in Orange County. Averaging twenty points per game, Powers found his place on the Sunset League's First Team. Named to the Second Team was Dan Broderick, a junior, who will provide the nucleus for next year's team. He controlled the boards for WHS throughout the season. Randy Combs also provided many thrills for Lion fans as his long jumpers usually found thier mark.

They will never learn that Jeff Powers (12) can't be stopped as he pours in two points against the struggling Marina Vikings. Dan Broderick is close behind.

Posting one of the finest records ever at WHS, the Lion Junior Varsity basketball team ran roughshod over its opponents. Coached by Don Leavey, the team featured such stand-outs as Steve McLendon, Richard Mann, and Phil Newhouse.

McLendon, a 6'4" center who averaged close to 20 points, dominated the boards throughout the season. With fantastic spurts of energy, Newhouse ripped up many opponents while Mann, the team spark plug, made his presence known through his hustling and great defensive play.

The Bee basketball team set the precedent for next year's varsity and junior varsity basketball teams. Coach Dick Gertsen molded the team into a fine unit that performed capably. Alan Hale, a starting guard, led the backcourt with his fine dribbling and shooting ability. Jeff Siemans, a freshman, was a great forward who showed great inside shooting and also dashed the boards with authority. Art Partillo led the team by shooting his long jumpshots. The Bee basketball team, though not winning many games, had many fine individual players who will help our basketball teams in the future.

Cees took third, Frosh won crown

This year's Cee basketball team proved to be one of Westminster's better Cee teams as they produced one of the best Cee records ever. Coach Ferguson led his team through their season as they highlighted the schedule by limiting the Santa Ana Valley Falcons to 19 points in the whole game. Terry Young and Terry Meisenheimer led the offensive show for the Lions as they averaged 14 points and 9 points per game respectively. Young and Meisenheimer helped this Cee team to a good season, and many of the Cee roundballers should help the Varsity in a couple of years.

FRESHMAN BASKETBALL

The Freshman basketball team won its first league championship ever as they copped the intra-district crown. They beat teams from Fountain Valley, Marina, and Huntington Beach. Coach Gibbons molded the frosh into a fine unit. The Freshman team is made up of freshmen of all sizes, and it is surprising that a team with such a variety of ball players can win a league championship. These boys should be congratulated for their fine effort.

Two Bee distance runners battle for the lead in the 440.

Westminster has long been known for its fine track teams. This year they had a balanced combination of distance, sprinters, and field men who all performed admirably. Charley Buckland, Steve Blue, and Darryl Berg led the sprinters as they ripped their way through the Sunset League. Greg McCants led in the shot put as he lettered for the second time by throwing the steel ball. Berg also doubled in the high jump as he went over 6'2' in the first meet. WHS, known for its distance runners, didn't let anybody down as Don Diston and Wayne Akiyama led the strong array.

A rigorous workout schedule keeps runners in shape.

This year, the Freshman track team showed a lot of strength in competition. The team is especially made for boys who are in their first year of high school, and need to learn the basics of track before going on to compete on the Cee, Bee, or Varsity teams. Some of the outstanding boys on the team were Mark Stevenson, Terry Meisenheimer, and Kevin Lamb.

VARSITY GOLF top row; Mark Swain, Jeff Powers, Bill Schwitters, and Terry Stevenson; BOTTOM ROW: Harold Eldridge, Doyle Hannon, and Frank Membrila.

Varsity golfers led by Powers, Swain

Westminster's golf team has represented WHS well in the years that it has been used as a varsity sport on our campus. Coach Jim Thompson has molded some fine golfers such as Carl Womack, Charlie Post, Ken Kribel, Jeff Powers, and Mark Swain, and he will be badly missed after his transfer to Edison High School next year. Powers and Swain led Westminster this year as they both played steady golf. Jeff is a smooth-swinging right-hander who always keeps an even temper, which is so important in competitive golf. Swain, a nifty left-hander, can rattle any golfer and can con them into giving him valuable strokes.

Coach Jim Thompson

VARSITY SWIMMING TOP ROW: D. Henningson, J. Penne, and D. Rumbold; MIDDLE ROW: K. Davis, J. Clemens, C. Setzer, T. Tringham, L. Heidler, B. Baron, C. Ohre, and G. Haber; BOTTOM ROW: J. Haselton, A. Rojas, B. Gardner, T. Brandtman, D. Welting, and R. Leeper.

Aquamen broke records in competition

This year, Westminster High School had an outstanding swimming team. Made up of a few returning lettermen and last year's Bees and Cees, the team broke many old school records, including the medley relay and the 100-yard free style. Strong seniors on the team included Jim Haselton, Al Rojas, Bruce Gardner, Todd Brandtman, Duane Welting, and Rus Leeper. Hurting the team was the absence of Steve Kubel, who was out due to illness. The remainder of the team was composed of juniors, except for our sophomore diving ace, Joel Penne. Prospects for our 1970 team look like another winning season since all of the juniors will be returning to swim for the Varsity team.

Coach Walt Otto

BEE SWIMMING TOP ROW: R. Stephenson, J. Smith, and K. Barthel; BOTTOM ROW: S. Lasseyaro, J. Meyer, D. Plunkett, and D. Mohler.

CEE SWIMMING TOP ROW: A. Lillis, T. Burgoyne, and T. Lord; MIDDLE ROW: J. Murray, D. Heidler, D. Brandtman, and D. Lane; BOTTOM ROW: H. Scheibe, T. Grubbs, and W. Phillips.

Cees started season strong

The Cee swim team was made up of a majority of freshmen and sophomores who were out for their first year of swimming at Westminster. Many of the boys had never competed in swimming before, yet managed to show a lot of poise. The Cees are just a begginning for our aquamen and this was where they got down their techniques and learned the fine points of swimming.

Bees dominated by Sophomores

At Westminster, the Bee swimming team is composed of the regular Bee swimmers and the small varsity swimmers who added the important strength at our meets. The Bees were generally preparing for their varsity careers as they developed their individual styles. This year's team hosted a number of good swimmers who will find themselves in the varsity ranks during the 1970 season.

Penne also shows good form from the low boards.

Board, advisors planned events

Led by President Joy Smith, the Girls' Athletic Association Board provided the framework for the largest club on campus. The GAA Board was in charge of planning the various social and athletic events of the GAA year.

"Mistletoe Melody" set the scene for the GAA-sponsored Christmas Formal. The World's Finest Chocolate Bars were sold by the girls February 14-28 as their main money-raising event.

The Father-Daughter Sports Night, featuring such activities as badminton and volleyball, was held March 14. Eighth graders from the local intermediate schools were invited to the annual 8th Grade Play-day which introduced them to the GAA program.

Year-end activities included a booth at the Piccadilly Fair and the Spring Awards Banquet. Throughout the year, each sport was involved in intramural games which were directed by the manager of that respective sport who was aided by the qualified girls' physical education staff.

With the approval of her physical education teacher, any girl may join the Girls' Athletic Association. The highest ideals of sportsmanship are upheld by members of GAA as they represent Westminster High School in intramural competition.

There are four team sports which are offered to all grade levels. These include basketball, field hockey, volleyball, and softball. Each sport featured several sports days at the close of its season in which the GAA members competed against other county high schools.

Being a part of GAA meant working as a team and meeting other people. Each team was able to boast of a certain uniting force which was present in victory and in defeat.

Another motivating force came from the dedicated instructors who put much time and effort into the GAA program. The advisors for team sports are: Miss Eseman, freshmen; Mrs. Lynch, sophomores; and Miss Palmer, juniors and seniors.

With a 3-2-1 season, the GAA varsity swim team broke two records. Freshman Debbie Huntley set a new time of 33.6 seconds in the 50-yard backstroke.

The outstanding point winner, Senior Debbie Williams, broke the butterfly record with a 31.5 timing. Diane Beyler was high point diver.

The junior varsity compiled a 4-2 record and was led by high point winner Toby Ostland. Both teams were coached by the new P.E. teacher, Mrs. Lynch.

ACTIVITIES

Geared to highlight the Lions' tenth anniversary, Westminster High School staged new, unusual activities, as well as the popular events of past years. The calendar began before the school year with Big and Little Sister Day and football practice, and the activities aren't scheduled to stop until the seniors return from the All-Night Graduation Party.

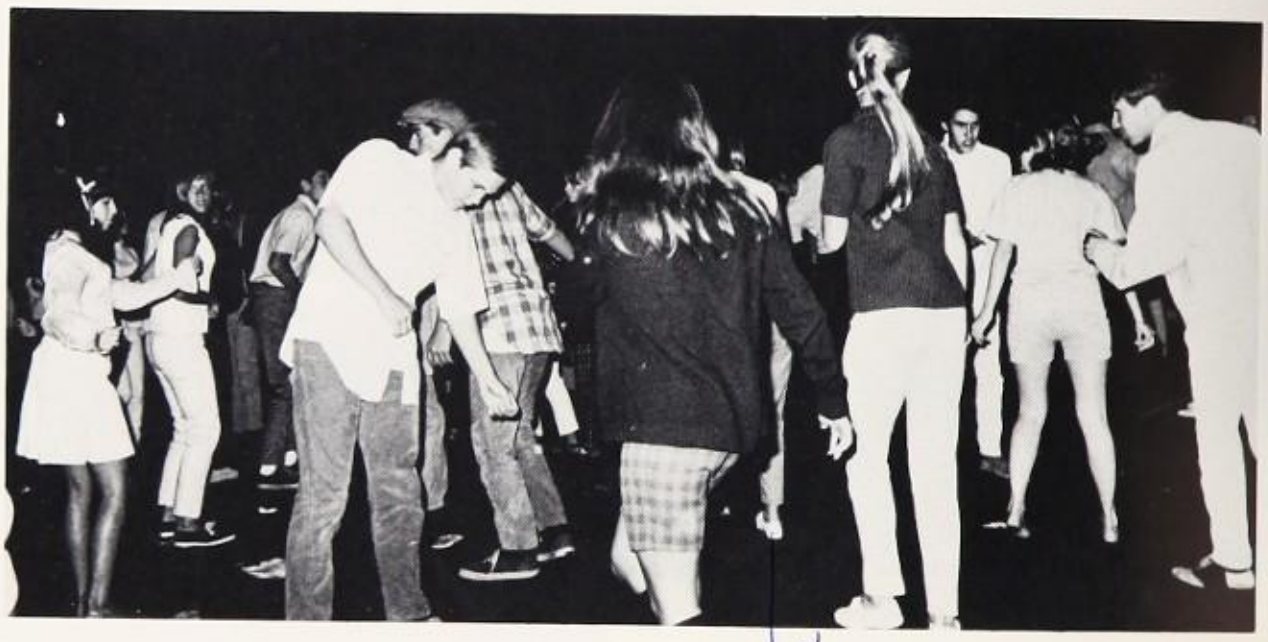
Activities played a major role during the celebration of the first decade of WHS. The Lions attended and participated in evening events, often in addition to the seasonal football and basketball games. Students even sacrificed sleep to come to the school for a Sunrise Dance. Lunch breaks were frequently spent at pep rallies and a sock hops where Lions displayed their exceptional involvement in school activities.

Lions rock to beat

Without shoes,the Lions entered the gym after basketball and football games for dancing and conversation. "Do your own thing" was the prevailing philosophy as blends of the Tighten-up, Boog-a-loo, and L.A. Stomp hit the dance floor. Atmosphere was created by fifteen minute long songs and strobe lights. Music was provided by Lion favorites such as the Animations, the Sweet and Sour Blues Band, and Der Zeppelin.

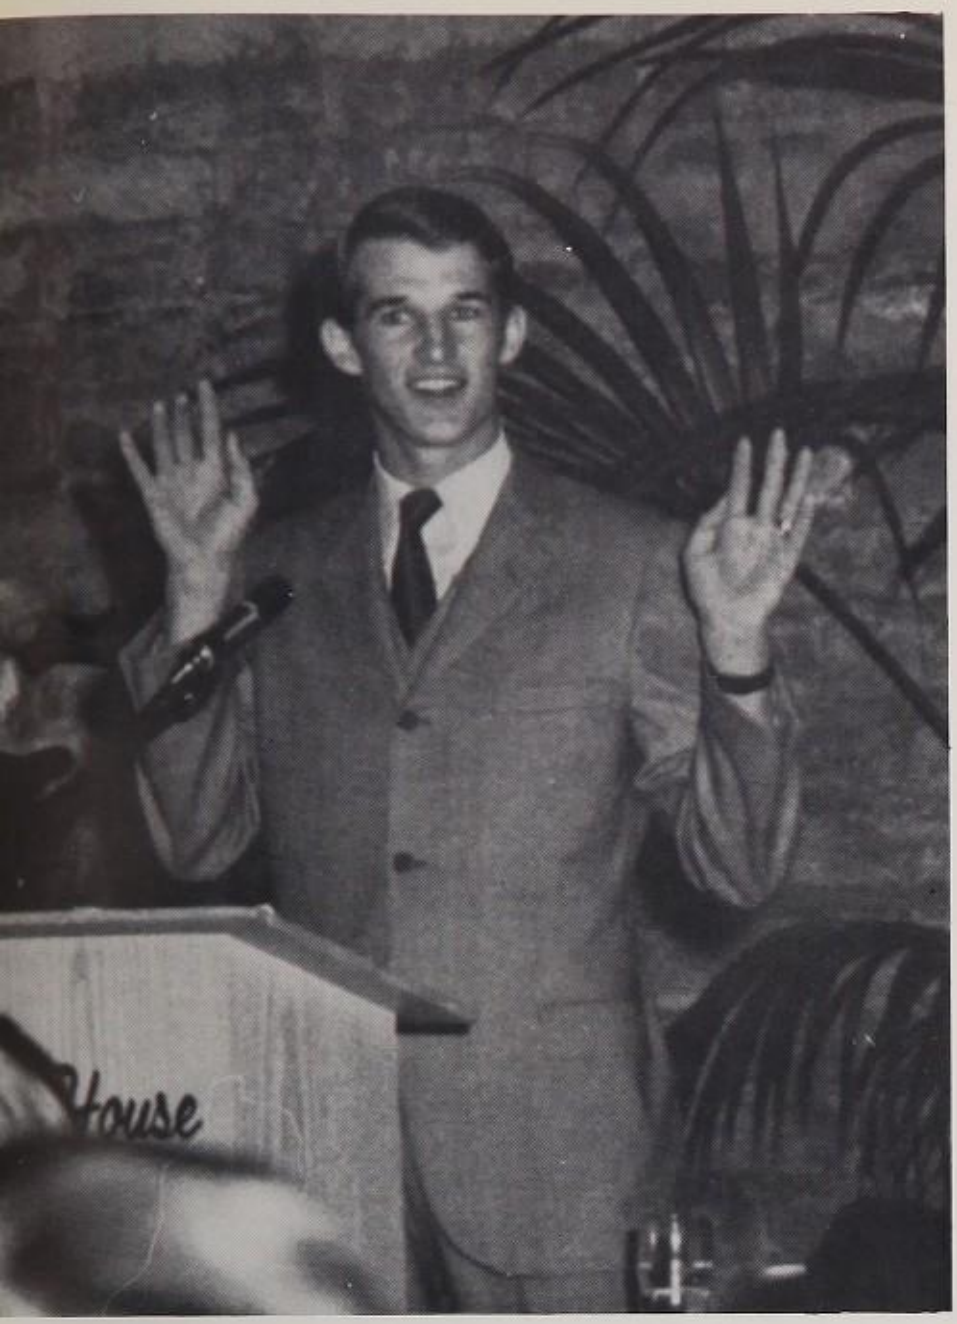
Post-football game sock hops were brightened by consecutive victories over the giants of the Sunset League. Following the Lion win over Marina's grid, the football and cross country teams were honored for capturing the League titles.

Ending the summer was the Cheerio Dance where Gary Neumann and Laurie Sutherland won Friendliest Boy and Girl Awards.



RIGHT: An open street dance, sponsored by the seniors, highlighted McDonalds Day. BELOW RIGHT: The beat throbs as Tony Cruz explodes on the drums.

LEFT: Lion dancers celebrated the close victory over the Tars of Newport Harbor. BELOW: There were many opportunities for the Lions to be festive, such as the win over Marina which nearly developed into a mud-slinging affair on the field.



Lions grid honored

Honoring the 1968 football team for the most successful year in the history of the high school, the House of Lords hosted a banquet, held at the Knott's Berry Farm Steak House. Members of the varsity team, coaches and their wives, administrators, and members of the press were the honored guests at the banquet.

The most entertaining part of the evening was the guest speaker, Mike Battle, All-American defensive halfback on the USC team. Those in attendance were entertained by Mike Battle's quick wit and genuine knowledge of collegiate football. Additional entertainment was provided by a young folk singer, Galend Jaro.

Decade closed with unique celebration

We're hooked on a feelin', and that feelin' is pride! The classes displayed their spirit and total involvement by Number 1' ing the school and letting it be known to all who could see that when we're Number One, we try harder, also! Prevailing in ASB card sales for the third consecutive year, members of the WHS House of Lords creamed the dignitaries of our rival schools. pies, topped with mounds of shaving cream and spiced with a dash of ketchup for color. Shortly thereafter, we witnessed Roger Ferguson start a spiritual movement with his pep talk and saw the swell of excitement he instilled in us arise. At the very same rally, our 1968 Homecoming Court was presented to our appraising and approving eyes as they were escorted by members of our all-mighty Lions football team. At our football game that night against Santa Ana Valley, the half-time performance was spectacular! Last year's Homecoming Queen, Miss Nancy Larson, rode at the top of our red and white float during her last minutes of reigning while Leo led the way. The members of the court were met by their escorts and led down the royal carpet to their waiting positions on the field. Anticipation filled the air and over the cries of joy we heard the commentator announce our new Homecoming Queen, Miss Susanna McClarty. Two hundred balloons were then released from a giant birthday cake on the field, that was to commemorate our Tenth Anniversary, as Mr. Christensen placed the robe on Susanna's shoulders. As the crown stood sparkling in her hair, Susanna greeted alumni and seniors at the reception which followed the game. This was the ending of a very special Homecoming Week.

WHS Lions #1 in spirit

Enthusiasm and Lion Pride combined as Westminster exhibited its students in two community parades. Televised locally was the Westminster Founders' Day Parade. The Lion band and float won the first place trophies over all the entries in the various divisions.

Classes, clubs, and individuals were invited to participate in the annual Pep Parade. More entries was the reason that the parade was bigger than those of part years. First place award for the class entries went to the Class of 1971. Seniors walked away with the competition yell point while G.A.A. captured the top award for clubs.

Nationalities mix at dance

Encompassing all nationalities and countries was "Peoples of the World," the theme of the 1968 Peasants' Prom. Eskimos of the cold north, dashing Spanish dons, handsome Arab sheiks, Swiss mountain climbers, and African tribesmen combined to create the atmosphere that was distinctly this year's Peasants' Prom.

As in previous years, the Peasants' Prom was sponsored by the Sophomore Class. Decorations in the cafeteria added an international flair, as travel posters pictured the spice of South America and the charm of Europe. All races were invited and they accepted the offer for fun.

Apt cast performed Aristophanes' play

Touching ancient Greece with signs of the modern world was the first comedy presented by the Abbey Squires, "The Birds". Staged on a mountain top in Greece, the play was concerned with two men who try to settle a new city, free from the contamination of civilization.

This Aristophanes' classic was unique as a Westminster presentation with the use of a strobe light and with characters who wandered through the audience, involving the viewers as well as the cast. It made use of the audience's imagination as colorful birds fluttered with crepe paper wings and as the characters ascended the "mile-high" mountain.

Opening the play was Pithataerus and Euelpides arriving on the top of a mountain. With the aid of the birds, who have elected Pithataerus as their king, a wall was built in the sky to block the messages to the starving gods. After bargaining with three representatives of the gods, Pithataerus gets a goddess wife and the title of king. Pithataerus attains his goals too late, however, as the mountain community had already been plagued with the plights of civilization, including a tax assessor, a real estate agent, and a lawyer.

Rallies keyed pep

Scheduling talent ranging from a world famous mountain climber to a descending helicopter, this year the Home of Scholars and Champions was treated to an extremely varied assembly calendar.

WHS participation in the CIF football semi-finals threw the Lions into an extended season of pep assemblies. A senior helicopter exploded open the first of the pep assemblies and an old mard ran off with the show at the closing of the football season.

Pep didn't die with the second quarter as the pepsters honored the other sports with rallies. A sports assembly later in the year was slated to recognize the gymnastic team, wrestling squad, and basketball team.

Speakers brought a new aspect of life

Outstanding assemblies, often featuring speakers from off-campus, provided enlightenment on various fields. Probably hardest hitting was the Teen Challenge assembly which presented the real facts about drug use and abuse.

John Goddard returned, entertaining students with his new film on exploration. Later, karate was demonstrated to the campus females while the boys were geared to a drag racing show.

Beginning in the early morning hours and continuing throughout the day, the House of Commons originated the Swap Meet to earn money for the campus beautification project. All types of individuals came, searching for bargains and just looking around. If prices were too high, the buyers could bargain until the prices were satisfactory, or swap merchandise.

Mistletoe Melody

Holiday mood reigns

Enchanting the winter season on the Westminster campus was the Christmas Formal, "Mistletoe Melody." Snow was absent but the Christmas spirit reigned with the presence of a flocked tree. Santa Claus even appeared and gave candy canes to those who attended. This annual event, sponsored by the Girls Athletic Association, featured the music of the Illusions, as the cafeteria was filled with the sounds of the holidays.

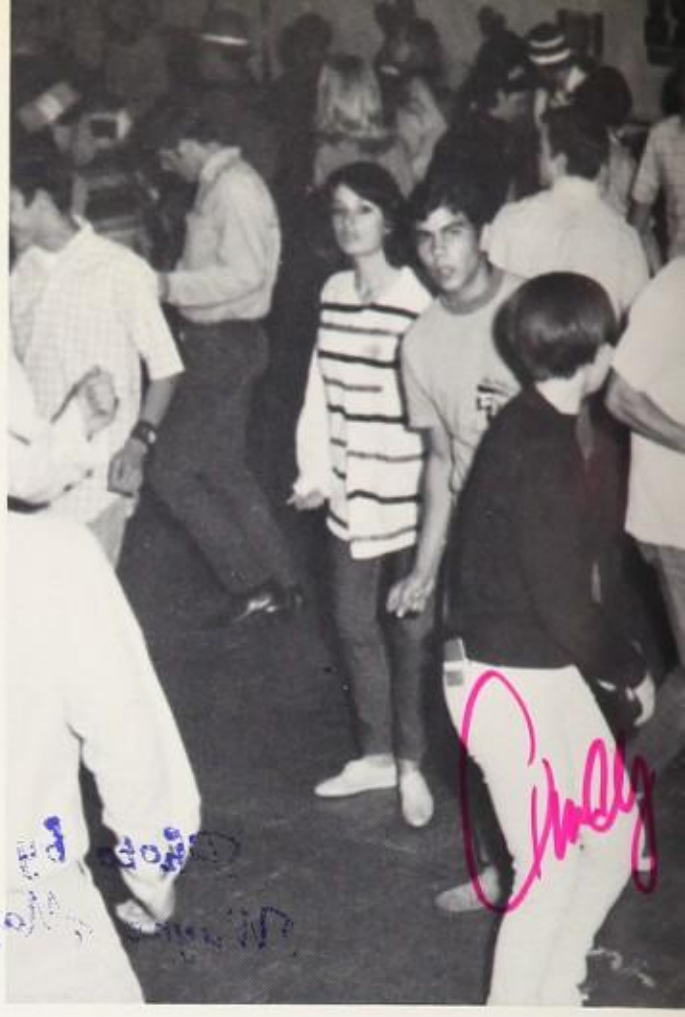
Valentine's Day massacre

Marking the Valentine season with hearts, pies, and tug-of-wars was Girls' League Week. This mid-February activity added a flair of fun to this traditionally romantic day.

"Pink Day" was originated as girls were encouraged to wear the shades which are distinctly representative of the female sex. Tuesday's activities transformed the previously feminine Lions into rollicking, tugging girls, as the annual tug-of-wars were conducted. As the skirmishes were about to begin, it was discovered that the heavy rope originally purchased exclusively for such activities had disappeared, so the girls had to battle it out with a thin rope, doubled over. After numerous breaks of the rope, the seniors proved victorious, with juniors coming in as a weak second. Thursday provided the opportunity for students to smash some of their favorite people with often sickening pies. Auctioned off for the pie throw were Naomi Belton, Bonnie Foster, Susanna McClarty, Janice Munns, and Judi Unger.



ABOVE: Climaxing the week was the Prisoners' Ball where the "inmates" rocked. TOP RIGHT:

Prisoners rocked in penitentiary scene

Striped uniforms and ball-and-chain necklaces closed Girls' League Week, as girls asked boys to the Prisoners' Ball, held in the cafeteria. Garbed as inmates, those present danced to the music of the Sundaries as black crepe paper hanging down the walls created the effect of a prison cell.

Evening activities for the jailbirds carried the penitentiary theme. Balloons tied to ankles and the breaking of a pinata made the Ball unique for the frolicking convicts.

On Valentines Day, each girl gave her favorite boy a heart, with the boy in each class gathering the most becoming a candidate for the King of Hearts. The candidates were Ray Strotman, senior, Chuck Spencer, junior, Steve Messig, sophomore, and Dwayne Hannon, freshman. At the Ball, Chuck Spencer was crowned king.

Participants in Student Government Day were actually involved with city government in action as City Councilmen sat with their counterparts during a council meeting. Representing the newspapers were other participants, serving as reporters.

City governed by WHS Lions

Student Government Day was held for the first time in the new Westminster Civic Center, February 10 and 11, 1969.

Acting as Mayor was Peter Sandvig, while Diana Broderick, Moses Chao, Janet Fenton, and Duane Wolting were Councilmen. Members of the Planning Commission included Linda Curl, Tom Hankley, Nancy Noling, Rosanna Patrona, and Betsy Vander Scaaf. Members of the Parks and Recreation Commission were Cheryl Gaines, Sharon Levy, Beverly Magill, Jane Patterson, and Peggy Spicer.

Instruction handled by student teachers

Giving students the opportunity to experience the difficulties of teaching was the purpose of Student Administration Day. The entire student body got a touch of student power as class instruction was carried on by student teachers with little aid from the usual teacher. Participants supervised lunch lines and bus loading, in addition to teaching. The administration office also underwent a take-over as members of the House of Lords filled the roles of principals, counselors, secretaries, and other classified staff, including campus patrolman.

Dime-a-Dip Dinner featured vocalists

Featuring various vocal combinations, the Dime-a-Dip Dinner blended entertainment with a home-cooked meal. The choraleers, the top WHS choral group, contributed a variety of dishes which were sold at a dip to raise money for outfits, sheet music, and props. Music selections ranged from 'Wendy" to "The Impossible Dream". The Mariners, Marina's top vocal ensemble, joined in on "Wat the World Needs Now Is Love."

Sock hop created with heavy rains

When the heavy rain season continued on its rampage late into February and it became necessary to postone the Powder Puff Football Game until March, the Abbey Squires took advantage of the open Friday night and hosted a three-hour long sock hop in the gym. Using their personal light show, the drama department created a distinct effect in Westminster sock hops. The Circus, signed with Delta Records and containing some WHS graduates, provided their own blend of music with a combination of guitars, drums, and trumpets.

Ball hosted in blue

Shades of blue transformed the cafeteria into a garden of spring as the senior class presented the 1969 Coronation Ball, 'Love is Blue'. In regal splendor, the graduating class hosted the student body to an evening of enchantment with a formal dance, featuring an orchestra for dancing.

Blue and white tucked curtains accented the queen's throne, which seated Janice Munns who was crowned Coronation Queen. Blue lights glistening on a crystal chandelier hanging from the center of the room created a wonderland impression on the dancers as they moved on the glittered floor.

FACULTY

Firm standards require that a distinction be made between success and failure, between excellence and mediocrity... No man or woman is uniformly successful in mature life; we must all expect a rather high percentage of failure in the things we attempt.

Barnaby Keeney

Faculty and Administration at W.H.S. have offered all they have, academically, and spiritually. The year of 1968-69 will be remembered by all students, faculty, parents, and the entire Huntington Beach District. This was the year that the Lions excelled in C.I.F., countless speech contests, and all around student participation, all backed, whether in success or failure, by the faculty.

Mr. Christensen: true friend and leader

Mr. Ferren L. Christensen, the G-R-R-R-E-A-T principal of a G-R-R-R-R-E-A-T high school, led the Lions on to a new year with the motto: The Year Of Scholars and Champions. Always smiling, always concerned, Mr. Christensen extends his hand to any student who comes to his door. Often he is seen talking with small groups of students on campus and with the entire student body at assemblies.

On color days he dons his red vest and black suit to fit in with the Lion tradition of red, black, and white. You cannot only see Lion spirit in Mr. Christensen but, also you hear it from him. He says, "Let this challenge prevail--if each student, 3,300 strong, contributes his talents, dedicates his energies, and strives for the pursuit of excellence, this year will never be equalled in the history of the Lion's Den." Yes, in this, our tenth aniversary, we were led by a true friend and leader.

Mr. Ferren L. Christensen, WHS principal, finds time to joke with student Janice Rodger as she interviews him.

ABOVE: "My door is open to any student at WHS at any time," explains Mr. Christensen as he offers David Grimes a friendly handshake.

School board gave WHS district-wide leadership, planned HBUHSD budget

The Board of Trustees of the Huntington Beach Union High School District is one of the most unappreciated bodies governing our school activities. Seldom do they receive recognition for the fine work they do in coordinating policies and activities for Westminster and other schools in the district.

This past year they have considered the use of video tape equipment for use as a teaching aid and establishing a fact-finding panel to review the budget to see if the present salary structure and budget are compatible.

The Trustees received a report from the WesternAssociation of Schools and Colleges last October stating that three of the schools in their district had received maximum five-year accreditation certificates. Westminster High School was accredited some time before.

The Board in planning for the construction of Edison High School in this district will see the present overcrowded conditions lessen markedly.

WHS welcomes new assistant principals

Westminster High School welcomed three new assistant principals to its staff of administrators last September, The three men, Dr. Venable, Mr. Gilissen, and Dr. Marshall replaced former assistant principals Mr. Tanksley, Mr. Bushman, and Mr. French.

Dr. Venable has replaced Mr. Tanksley in the field of Instruction. He is responsible for choosing textbooks and the curriculum followed by WHS students. His duties also include assigning substitute and student teachers and orienting all new teachers.

Mr. Gilissen and Dr. Venable work closely together to coordinate the Supervision, Guidance, and Attendance Departments. Mr. Gilissen's major activity is directed toward the organization of a fine counseling staff.

Under Dr. Marshall's direction are the problems of student discipline. Included in his various responsibilities are conduction of school safety programs, student parking, and school transportation for students. He also works closely with local and county juvenile authorities.

The future is their job

If you have ever passed through the Guidance Office and noticed the multitudes of students occupying the guidance benches, you may have wondered if counselors really existed.

Eight counselors comprise the staff which helps students evaluate abilities, choose vocations, and plan high school courses.

Each student is assigned a counselor in his Freshman Year and receives valuable advice until he graduates.

Miss Atwood, Coordinator of Activities at WHS, offers a willing hand and a friendly smile.

Mrs. Wade, School Nurse, checks hearing and vision once a year.

Helping hands in campus life

Behind every successful program or social affair there must be a large amount of planning. While the students contribute a great deal, there is one master mind working behind the scenes, that of Miss Barbara Atwood, the Coordinator of Activities.

Throughout the school year there are numerous events which must be scheduled by Miss Atwood. She is responsible for organization of all music events, drama productions, assemblies, school clubs, and student government.

Our school library is directed by Mrs. Cavanaugh. She selects all books and other materials available in our library. Students are under her supervision while using the library facilities. Working with teachers, she coordinates library instruction with classroom teaching. She also finds time to act as advisor to the Pages Club which is concerned with library work and policies.

During the school year you have probably had cause to visit the school nurse in the area south of the student reception in the administration building. If so, you have been greeted by a number of papers to sign and fill out and a thermometer stuck in your mouth. Then Mrs. Wade, the nurse, attends to you and inquires about your ailment.

Besides attending to student injuries and illnesses, Mrs. Wade is responsible for administering audio-visual tests to students.

Mrs. Cavanaugh, Librarian, waits to check out books.

Whether it be for their friendly smiles in time of need or supplying aid, the Westminster High School secretaries will "never be forgotten". Typing letters, answering telephones, or just plain smoothing ragged nerves, these secretaries are indeed friends at WHS.

Maltby, Rose Harris, Anne Severance, Margaret Hanrahan, Vergil Isbel, and Imogene Kalhofert.

In the framework for building "scholars and champions," there is much need for productivity in fields other than administration and education. The classified staff fills this position. Among the personnel is the office staff, the maintenance staff, the cafeteria staff, bus drivers, and Mr. Carpenter, Grounds Patrolman. Included is Mr. Porter, Audio-Visual Man and Mrs. Lamont, Accompanist.

Because of these people, memos are sent on time, broken switches are mended, hungry students are fed, transportation is provided, laws are enforced, and the school is well organized.

The custodians are often the first to arrive and the last to leave just to keep the campus in good shape for the next day. During the year, lawns are mowed, trees are pruned, floors are waxed, and lockers are kept in good working order.

With all the efficient help of Westminster's classified staff our school is run in the best possible manner.

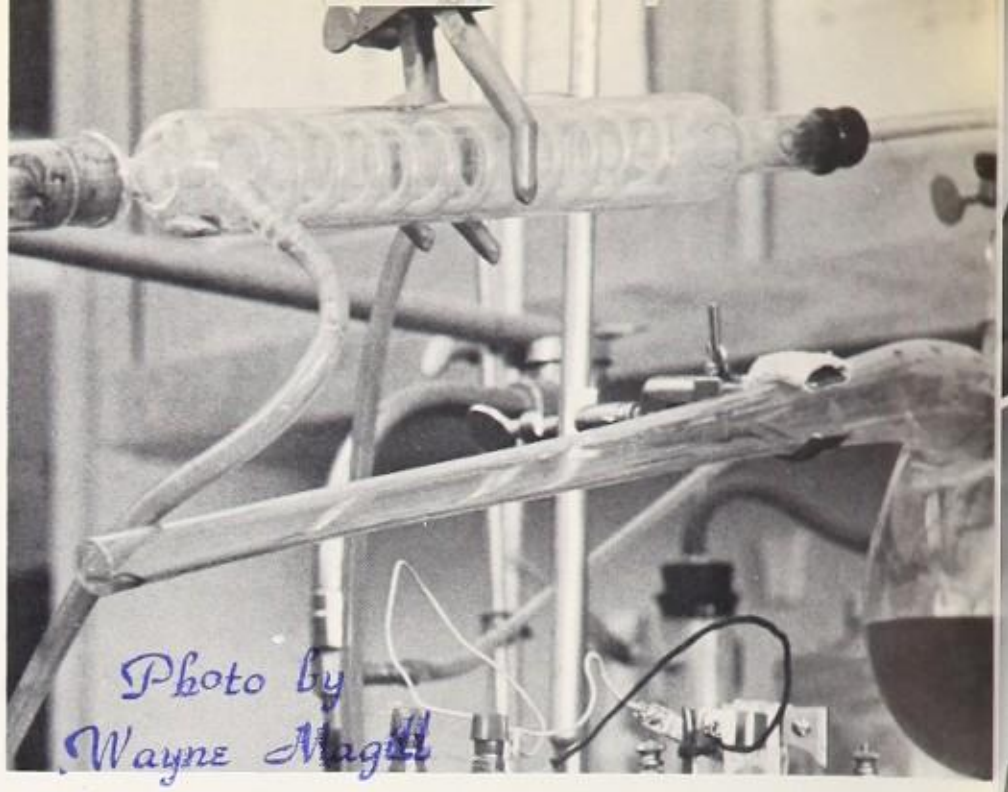
Students gazed at tomorrow's world by way of science

Today's science is tomorrow's future. Yes, science never stops; it is constantly moving ahead. Students at Westminster High School, with the aid of the science teachers, are beginning to understand tomorrow's world.

All of the many fields of science are explored by curious students in chemistry, physics, biology, and physiology. Test tubes, balances, and microscopes are important instruments in the mind-expanding experiments conducted in many science classrooms throughout the school year. Calculated equations were recalculated and simplified, organs of dissected frogs and rodents were identified, and chemicals were poured and tested.

All of these many different teachers and classes in science help us not only to learn much more about the world around us, but more about ourselves as well.

All of the science classes on campus offer students the highest form of learning through practical applications of what they learn in books: all the way from watching chemical reactions to inspecting the finest details of a sheep's brain.



"Look everybody, here, where you will find your Tarsalsmetas!" says Mr. DeWenter.

Insight to industry

Mr. DeRusha pauses while stapling together programs for the next football game.

Technical difficulties of any kind and in any kind of machine are easy to cope with after concentrated study in an industrial arts class. Typical student projects include using the lathe and welding tools to create metal tools, setting type to make a business card, setting type for various other graphic art projects, building electronic devices, building engines, and replacing spark plugs.

All of this and more is found in the depart nent of industrial arts at Westminster High School. Although most of the industrial arts classes are filled with boys, there are many girls who show an interest in this field.

Home living skills taught to young ladies

The Home Economics Department taught a variety of classes this past year which were available to girls at each grade level.

All of the basic skills for becoming an able homemaker, such as cooking and sewing, were offered under the instruction of our competent home economics staff.

There were also more advanced studies offered in the Foods II and Clothing II classes. Foods II included a unit on foreign foods while the girls in Clothing II designed and made their own garments.

The Home Economics Department is also responsible for the Principal's Luncheon given during the year.

Using the overhead projector, Mr. Harry Bowman illustrates the why and how of algebra.

Although we live in an age of computers, every line of business requires some form of math. At Westminster High a variety of Math courses are offered to help us achieve our lifetime goals. General Math and Refresher Math gave basic education for everyday life. Algebra I, and Algebra II, Geometry and the higher math levels, such as Trigonometry and College Mathematics were offered as more advanced courses.

The Business Department strives to improve the accuracy and efficiency of the Typing and Shorthand classes. While Business Education is the general study of services and functions of business organization, Recordkeeping, Bookkeeping, and Transcription classes try to prepare students for the business world of today. Office Practice and Work Experience entitled the students to put their knowledge to work. Instruction in any of the Business courses is useful to any person interested in secretarial or office work.

English brought new depth to learning

Westminster's English courses cover in depth every phase of our language. Basic knowledge and skills are developed in the areas of composition, speech, reading, grammar, literature, drama, and journalism.

Fundamental techniques of expressing and developing ideas are emphasized in composition and speech. In literature the writing styles of various authors and familiar classics are explored. In journalism writing, editing, and yearbook and newspaper skills are taught.

One of the most important reasons as to why we take English classes is to learn to communicate better in business and social activities.

Miss Holmgren, English Department Head, finds a grammar mistake quite amusing.

Playing a vital part in our everyday life

In this day and age communication between countries plays a vital part in everyday life. A universal language does not exist, which is one of the reasons why foreign languages are taught at Westminster High School.

Not only the language itself is taught but better understanding of the countries has found its way to the students. Also the cultural background and development of languages such as French, Spanish, and German are studied. Students concentrate on the speaking and the grammar of the languages.

Latin I,II,III, and IV are offered as more complex classes. Primarily Spanish I, French I, and German I are taken for basic study. LEFT: French teacher Mrs. Fleming introduces a new word from a French magazine.

From canvas to painting

During the past year the students of Westminster High School have been offered a variety of classes in many different artistic fields by the Art Department.

There is a class to fulfill every student's creative desires from a simple Crafts I Class, which merely introduces the pupil to simple projects, to more advanced and technical instruction. A few of the more advanced courses require previous experience in art.

ASB President
John Kilpatrick

Student officers had planning power

Working for all of the Westminster Lions are the student body officers. Through representation at various county-wide events, the student body officers are the voice of the general student body.

Serving during the year in the ASB offices were John Kilpatrick, president; Naomi Belton, vice-president; Anne Bachlor, recording secretary; Marianne Phillips, corresponding secretary; and Sally Carlson, treasurer.

John Kilpatrick has fulfilled his office by presiding at assemblies and at House of Lords meetings. Another major duty John had to perform was to go to administrative meetings. Naomi Belton also attended those meetings. Acting as vice-president Naomi also presided over the House of Commons.

School policy was met daily

Daily the House of Lords meets to establish school policy and plan activities for the entire student body. Another of the special responsibilities of the major governing body is to represent Westminster High School at conferences throughout Southern California.

Annually a three-day conference is held at the University of California at Riverside for student leaders of Orange County. The House of Lords represented the Lions as the group was united at the close of the summer.

The first major committee was for the planning of Homecoming activities. Following came the United Fund Drive, interior decorating of G-Office, participation in the Founders' Day Parade, and planning the Football Banquet.

Efficiency was the name of the game

An efficient team of commissioners planned this year's activities at Westminster High School. All commissioners were active members of House of Lords.

Working hand in hand with student body officers, the commissioners planned an active year for all WHS Lions. Commissioners and student body officers met daily in G- Office.

ABOVE: Wayne Akiyama, and Renee Melchiori, CASC Representatives. RIGHT: Laurie Sutherland, Commissioner of Rallies and Assemblies and Amy Wargo, Commissioner of Publicity.

Student democracy worked through group efforts

Traditionally labeled the main legislative body of the Westminster High School student government, the House of Commons pursued even greater areas this year. Besides approving the annual budget and ratifying amendments to the student body constitution, the members of the lower house took on projects which no previous assembly had ever attempted.

Early in the year, the House of Commons participated in campaigning for the November elections. Another important project of the first semester assembly was the continued support to the Lions' foster child, Jairo Lopez. Letters and packages were sent to the young Columbian boy to exchange the American culture with that of our South American neighbors.

A Swap Meet for the entire community originated in the House of Commons. Funds from this activity went to improve some area of the WHS campus. Campus beautification was another of the major projects of the 1969 House of Commons.

The President of the House of Commons for the school year was Naomi Belton. Aiding with the meetings were: Anne Bachlor and Marianne Phillips, the two secretaries; Chuck Stewart, Parliamentarian; and Mike Haynes, Sergeant-at-Arms.

Thought and concern come over Cindy Boyers and other student representatives during the time of student unrest. The house of Commons, working hand-in-hand with the administration, was able to bring the situation back to normal.

Aside from emergency activities the House of Commons began to plan a new victory flag pole and the first annual Swap Meet. Students representing their homeroom classes made it possible for all students to voice their opinions.

Jairo Lopez was the only foster child with 3,300 foster parents

September 1968

Jairo Hernando Lopez was adopted by the Westminster High School Student Body in June, 1968, and there is no doubt that this is an outstanding first in the community of Westminster.

Jairo, who was nine years old on November 2, must have opened his big brown eyes wide at the thought of having 3,300 foster parents all at the same time.

In September, of 1968, we received our first letter from Jairo. Although some of the meaning was lost in translation, much comes through to the WHS students.

Dear Foster Parents:

I greet you cordially and I thank you for the donation and the help that we are receiving.

We are having summer time. Bogota has a cold weather, but now, it seems as if we were in a hot town or city.

I tell you that I received your letter, which made me very happy to know that I have some foster parents who help me.

Jairo H. Lopez

Highlights told by 1969 Citadel staff

A yearbook is many things to many people. It is a reflection upon the past year. It is a book filled with memories, and more memories. It is a record of the school year. To those who helped to put together this yearbook, the 1969 CITADEL is visible proof of a pursuit of excellence. Many long, tedious hours were spent in trying to recapture the highlights of the 1968-1969 school year while the staff strived for perfection.

To Mr. Seaman, we owe our deepest thanks for being there to unruffle our nerves as the deadlines approached. There was Miss Atwood, too, who sent us on our way with tidbits of information. The cooperative faculty and students at WHS made it a pleasure and an honor for us to work so diligently in recreating the past year. The Time Is Now for us to present to you a yearbook bound with pride—the 1969 CITADEL.

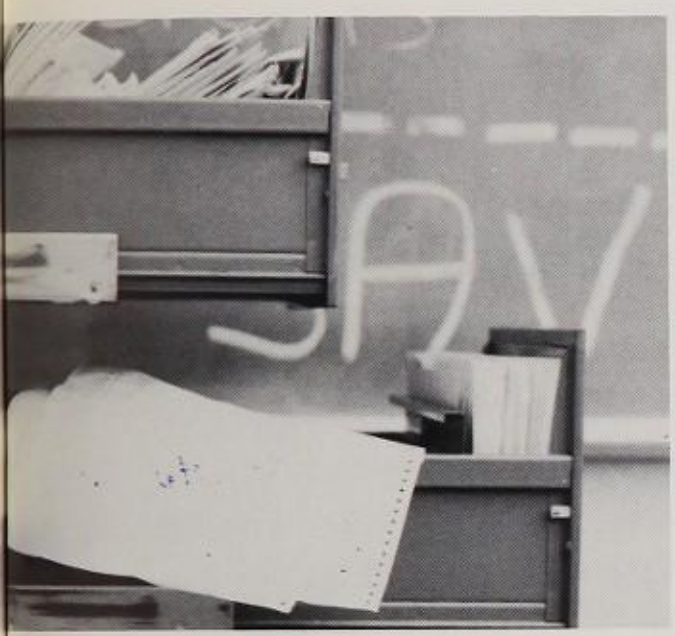
Bright outlook revealed by WHS past

"I know no way of judging the future but by the past."

Patrick Henry

Westminster High School is closing its majestic doors on the first decade of a most glorious, yet short, history. Renamed the Home of Scholars and Champions, the past accomplishments of Lions leave anticipation for an even more successful future. Achievements in scholarship, service, and athletics make WHS a community-centered school.

The consistency of its athletic teams to be victorious literally put the City of Westminster on the map. Each year WHS students walk away with top scholarships and receive honors-at-entrance at some of the finest colleges and universities. Overwhelming support of the United Fund Drive and other community service activities proves the Lion-heartedness of WHS student bodies. Anxiously awaiting the exuberant Lions now are a new decade, new challenges, and new opportunities.



ABOVE: Secrets of the 1969 CITADEL made these files famous for being ransacked! LEFT: Sue Mears and Janet Fenton discuss the good and bad parts of a class layout.

RIGHT: Eddie Bane measures picture while Steve Soest lays out a page of football. BELOW: Chris Liffreing, Kathy Dalton, and Mahala Jackson Catch up on the latest.

1968-1969: A year of happenings

Senator Robert Kennedy's victory celebration in the California presidential primaries came to a sudden halt...The Poor People's March converged on our nation's capitol following the assassination of Dr. Martin Luther King...Tiny Tim tiptoed through the tulips...A controversial Black Power salute highlighted the Summer Olympics...Jose Feliciano opened the World Series with a revised version of our National Anthem...West Newport Beach slowly slipped into the sea...Academic learning receded while physical and violent aspects climbed on our nation's campuses...Schools replaced draft cards as the things to burn...Eldridge Cleaver entertained UC students while frustrating the Board of Regents...Nixon shook his losing streak and became President of the United States...Jackie and Onassis became the dynamic duo of the millionaire set...Paris Peace Talks reached a stalemate over the shape of the conference table...Beachfront land was put up for sale in Arizona by the Faulty Realty Company...Members of the Pueblo crew celebrated a merry Christmas with their families, after eleven months of North Korean captivity...Take a jet to Miami...oops! Havana...N.Y. Jets quarterback Joe Namath received $10,000 for doing a live shaving commercial...Astronauts took a quick tour of the moon O.J.'s price was a bit too extravagant...Sirhan B. Sirhan went to trial...Gushes of black gold turned to black death for millions of marine animals off the California coast...It rained, and it rained, and it rained...Welcome to soggy California: home of the mudslides.....Puff the magic dragon took on a new social meaning...Nixon's presidential honeymoon was spent abroad creating a new trust with Western European allies...Mickey Mantle found pleasure at a desk job...James Earl Ray received a sentence of ninety-nine years...The underrated Trojan cagers shattered the winning streak of Big Lew and Co...The popularity of WHS prevailed as 3600 students planned to attend...What a way to go!!!

Wayne,
Yeah a real o-u-t-t-a Sight
Just try and stay that way
You can't
Cause that would
Not mean "7th" Grade
Love always
